2. **Excuse From Instruction:**
   High schools may grant permission to students to leave school grounds during lunch periods after notice is sent to parents [If applicable, specific notice requirements are described in EC 44808.5].
   A pupil may refuse to participate in animal dissection and experimentation with parent written substantiation. [EC 32255.1 and 32255 - 32255.6].

3. **Grade Reduction:**
   No pupil may have his/her grade reduced or lose academic credit for any absence or absences excused pursuant to EC 48205 when missed assignments and tests, that can reasonably be provided, are satisfactorily completed within a reasonable period of time [EC 48960(i)]. (Full text of EC 48205 Attachment -1)

4. **Individualized Instruction Due to Temporary Disability:**
   A pupil with a temporary disability shall be cause for a pupil to receive individual instruction. [EC 48205.3 et seq.].

5. **Notification of Minimum and Pupil Free Staff Development School Days:**
   The schedule of minimum days and pupil free staff development days for schools within the District/County Office of Education (COE) is attached (Attachment – 2). Parents/guardians will be notified of minimum days and pupil-free staff development days not yet scheduled at least one month before the scheduled minimum or pupil-free day. [EC 48980(c)].

6. **Residence When Hospitalized:**
   Notwithstanding compulsory education requirements, a pupil with a temporary disability who is in a hospital or other residential health facility, except for a state hospital, which is located outside of the school district in which the pupil’s parent/guardian resides, shall be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located. It shall be the primary responsibility of the parent/guardian of a pupil with temporary disability to notify the school district in which the pupil is deemed to reside of the pupil’s presence in a qualifying hospital. [EC 48207; 48208].

7. **Required Pupil Immunization:**
   School districts shall not unconditionally admit any student to a district elementary or secondary school, preschool, or childcare and development program for the first time nor, after July 1, 2016, admit or advance any student to the 7th grade level unless the student has been fully immunized. The student shall present documentation of full immunization, in accordance with the age/grade and dose required by the California Dept. of Public Health and Health and Safety Code Section 120335.

8. **Immunization for Communicable Disease:**

[EC 49043].

9. **Administration of Medication:**
   Medication prescribed for a child to be administered during the regular school day may be assisted by a school nurse or other designated school personnel if the school district receives a written detailed statement from the physician and surgeon or physician assistant and a written parental request. Pupils may carry and self-administer prescription auto-injectable epinephrine or inhaled asthma medication provided that written orders from the physician and surgeon or physician assistant (including a statement that the pupil is able to self-administer such medication), and written parental consent to the self-administration (including a release allowing a school nurse or other designated school personnel to consult with pupil’s health care provider about the medication, and releasing the school district and school personnel from potential civil liability). The District/COE may designate and train one or more volunteers to provide anti-seizure medication to a pupil diagnosed with seizures, a seizure disorder, or epilepsy, upon request. [EC 49423; 49423.1; 49468.2].

10. **Continuing Medication:**
    A pupil is required to inform the District/COE of any medication being taken, the current dosage, and the name of the supervising physician, if the pupil is on a continuing medication regimen for a non-episodic condition. The school nurse may communicate with the physician and may counsel with school personnel regarding the possible effects of the drug on the child’s physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose if provided consent by the
pupil’s parent or legal guardian. [EC 49480].

11. Physical Examinations:
Every child shall, within 90 days after entrance into the first grade, provide a certificate signed by a physician documenting that within the prior 18 months the child has received the appropriate health screening and evaluation services, unless the parent/guardian has filed a written waiver with the District/COE. However, a child may be excluded from attendance if, for good reason, the child is believed to be suffering from a recognized contagious or infectious disease and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist. Free health screening is available for low income children for up to 18 months prior to entry into first grade. Parents are encouraged to obtain required health screenings simultaneously with required immunizations. [H &S C. 124065; 124105; EC 49451]. Specific information on type 2 diabetes is available at www.cde.ca.gov/is/hi/he/hm/type2diabetes.asp. It is recommended that students possibly suffering from type 2 diabetes or having warning signs should be screened. [EC 49452.7].

12. Health Assessments and Evaluations:
Vision and hearing screening for a pupil by the school nurse or other qualified individual is provided during selected grade levels. A pupil whose first enrollment or entry occurs in grade 4 or 7 shall not be required to be appraised in the year immediately following the pupil’s first enrollment or entry. Scoliosis screening may be provided to girls in grade 7 and boys in grade 8. By May 31 of the school year, pupils when first enrolled in public schools are required to provide proof of an oral health assessment (within 12 months prior to enrollment) by a licensed dentist or other licensed or registered dental health professional. [EC 49452; 49452.5; 49454; 49455].

Any pupil, while enrolled in kindergarten, or while enrolled in first grade if the pupil was not previously enrolled in kindergarten, unless excused, must present proof no later than May 31 of the school year of having received an oral assessment by a licensed dentist or other licensed or registered dental health professional. The assessment must be performed no earlier than 12 months prior to initial enrollment of the pupil. Parents/guardians of such pupils will be notified of this assessment requirement [EC 49452.8].

13. Medical and Hospital Services:
The District/COE may provide, or make available, medical and/or hospital services for pupils injured at school or school-sponsored events or while being transported to the same. [EC 49472]. [EC 49063; 49069.7; 49070]. Certain directory information concerning pupils is also available to individuals other than parents. [EC 49073]. (Attachment – 3) Upon written request from the parent, the District/COE will withhold directory information about the student.

The rules used by the District/COE pertaining to student discipline are available to all parents upon request. [EC 35291]. The rules may require that the parent of a suspended pupil may be required to attend a portion of a school day in the child’s classroom. [EC 48900.1].

18. Nondiscrimination:
The District/COE does not discriminate on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, age, immigration status, actual or potential parental, family, or marital status, pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, or association with a person or a group with one or more of these actual or perceived characteristics, in any of its policies, practices, or procedures, programs, or activities, in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975, and related laws and regulations. [EC 200; 221.51]. This nondiscrimination policy covers admission and access to, and treatment and employment in, District/COE programs and activities, including vocational education. Inquiries regarding the equal opportunity policies, the filing of grievances or complaints, or to request a copy, free of charge, of the procedures covering discrimination complaints may be directed to the District/County Superintendent of Schools, the District Title IX Coordinator, or the Office of Civil Rights, as appropriate. The lack of English language skills will not be a barrier to the admission and participation in District/COE programs. The District’s Title IX Coordinator, Nicole Schraeder, Director of Student Services, may be contacted at (530) 677-2261.

19. Services to Students Who are Deaf, Hard of Hearing, Blind, Visually Impaired, or Deaf-Blind:

20. Compulsory Education:
Each person between the ages of 6 and 18 years, not exempted under the provisions of Education Code, is subject to compulsory full-time education.

21. Residency Requirements-School Attendance Options:
A pupil complies with the residency requirements for school attendance in a school district, if the pupil is any of the following:

A pupil who is a child of a military family pursuant to EC 48204.6;

A pupil placed within the boundaries of that school district in a regularly established licensed children’s institution or a licensed foster home as defined in EC 56155.5 or a family home pursuant to a commitment or placement under Chapter 2 (Section 200) of Part 1 of Division 2 of the Welfare and Institutions Code;

A pupil who is a foster child who remains in their school of origin pursuant to EC 48853.5(f) and (g);

A pupil for whom interdistrict attendance has been approved pursuant to Chapter 5 (Section 46600) of Part 26;

A pupil whose residence is located within the boundaries of that school district and whose parent or legal guardian is relieved of responsibility, control, and authority through emancipation;

A pupil who lives in the home of a caregiving adult that is located within the boundaries of that school district. Execution of an affidavit under penalty of perjury pursuant to Part 1.5 (Section 6550) of Division 11 of the Family Code by the caregiving adult is a sufficient basis for a determination that the pupil lives in the caregiver’s home, unless the school district determines from actual facts that the pupil is not living in the caregiver’s home;

A pupil residing in a state hospital located within the boundaries of that school district;

A pupil whose parent or legal guardian resides outside of the boundaries of that school district but is employed and lives with the pupil at the place of their employment within the boundaries of the school district for a minimum of three days during the school week;

Once a pupil is deemed to have complied with the residency requirements for school attendance pursuant to this subdivision and is enrolled in a school in a school district, the boundaries of which include the location where at least one parent or the legal guardian of a pupil is physically employed, the pupil does not have to reapply in the next school year to attend a school within that school district and the governing board of the school district shall allow the pupil to attend school through grade 12 in that school district if the parent or legal guardian so chooses and if at least one parent or the legal guardian of the pupil continues to be physically employed by an employer situated within the attendance boundaries of the school district, subject to EC 48204 (b)(2) to (7), inclusive.

A school district may deem a pupil to have complied with the residency requirements for school attendance in the school district if at least one parent or the legal guardian of the pupil is physically employed within the boundaries of that school district for a minimum of 10 hours during the school week. [EC 48204].

22. Notice of Alternative Schools:
California law authorizes all school districts to provide for alternative schools. [EC 58501] (Attachment - 4).

23. Excuse from Sexual Health Education, HIV Education, and Related Assessments:
Parents or guardians of a pupil have the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent (“opt out”) process. A request to excuse your child must be made in writing to the school district. [EC 51938]. You are hereby notified that:

Educational materials used in comprehensive sexual health education and HIV prevention education are available for inspection.

Comprehensive sexual health education or HIV prevention education will be taught by school district personnel and/or by outside consultants.

You have the right to request a copy of EC Part 26, Chapter 5.6 – California Healthy Youth Act.

If the District/COE elects to provide comprehensive sexual health education or HIV prevention education by outside consultants, and/or by holding an assembly to deliver comprehensive sexual health education or HIV prevention education by guest speakers, the notice shall include the date of the instruction, the name of the organization or affiliation of each guest speaker, and information stating the right of the parent or guardian to request a copy of EC 51938, 51933, and 51934.

24. Pregnant and Parenting Students:
The District/COE will not exclude nor deny any pupil from any educational program or activity, including class or extracurricular activity, solely on the basis of the pupil’s pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom [EC 221.51; 222.5; 46015]. Pregnant and parenting pupils are entitled to the following:

Have their pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom treated in the same manner and under the same policies as any other temporary disabling condition;
Provided with eight weeks of parental leave, (or more if medically necessary) which the pupil may take before the birth of the pupil's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the pupil who gives or expects to give birth and the infant, and to allow the pregnant or parenting pupil to care for and bond with the infant;

Return to the school and the course of study in which the student was enrolled before taking parental leave and opportunities to make up work missed during the student's leave, including, but not limited to, makeup work plans and reenrollment in courses;

Remain enrolled for a fifth year of instruction in the school in which the pupil was previously enrolled when it is necessary in order for the pupil to be able to complete state and any local graduation requirements, unless the District/COE makes a finding that the pupil is reasonably able to complete the local educational agency's graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school;

Provided with alternative education options should the pupil decide not to return from leave; and

Not incur an academic penalty as a result of the pupil's use of the accommodations.

A complaint for noncompliance may be filed under the District/COE's Uniform Complain Procedures. [See Paragraph 25].

25. Uniform Complaint Procedures “UCP”:

The District/COE maintains a uniform complaint procedure for investigating complaints of: (1) discrimination on the basis of, but not limited to, age, sex, sexual orientation, ethnic group identification, race, ancestry, national origin, religion, color, pupil parenting or pregnancy and/or childbirth, or mental or physical disability; (2) complaints of violations of the laws and regulations governing consolidated categorical aid programs, Adult Education, Career/Technical Education, Child Development, Special Education and Nutrition services; (3) impermissible pupil fees [EC 49010-49013]; and/or (4) violation of state and/or federal law. The District/COE has designated compliance officers to receive and investigate uniform complaints that fall within these categories and ensure compliance with law.

Any individual, public agency, or organization may file a written complaint. Complaints alleging unlawful discrimination shall be initiated not later than six months from the date the alleged discrimination occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination. Copies of the complaint form are available from the school or District/COE office. After filling out the complaint form, it should be directed to the District/COE compliance officer, Jackie McNaney, Assistant Superintendent. The compliance officer will investigate the complaint and provide a written report of the investigation and decision within 60 calendar days.

If dissatisfied with the District's/COE's decision, the complainant may also appeal in writing to the California Department of Education (CDE) within 15 days of receiving the District's/COE's decision.

A complainant may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a state or federal court include, but are not limited to, injunctions and restraining orders. In a complaint of unlawful discrimination, complainant may seek civil law remedies no sooner than 60 days from the filing of an appeal with CDE, except that such time limitation does not apply to injunctive relief.

Additionally, any individual, public agency, or organization may file complaints about specified situations pertaining to instructional materials, emergency, or urgent facilities conditions that pose a threat to the health and safety of pupils or staff, and teacher vacancies or misassignments. Such complaints ("Williams Complaints") are subject to a different complaint procedure. Such a complaint may be filed anonymously.

For more information concerning the filing of uniform complaints, copies of the Board Policies and Administrative Regulations pertaining to these complaint procedures are available upon request at the school or District/COE offices free of charge, or on the District/COE website at www.buckeyeusd.org. [5 CCR 4600 et seq.]. (Attachment – 5)

Reports of alleged pupil sexual harassment in violation of District/COE policy or federal or state law will be handled pursuant to the attached policies and procedures established by the District/COE. The District/COE shall be responsible for providing written procedures regarding the process for reporting, investigating, and resolving such complaints. [EC 48980(f), 212.5, 231.5]. (Attachment - 6)

34. **College Admission Requirements, Higher Education Information, and Career Technical Education:**

(Districts offering grades 9-12) [EC 48980(l); 51229]

35. **Statutory Attendance Options:**

California law requires school districts to provide an education to any pupil who resides within the district’s attendance area. Although pupils have the right to a free, public education, the law does not guarantee that a pupil can attend the school of choice, or even the neighborhood school.

Existing statutory attendance options include interdistrict transfer, Allen transfer, intradistrict transfer, open enrollment, ESSA, and District of Choice. Parents/guardians should contact the District/COE regarding any and all enrollment options.

**Interdistrict Transfer**

A pupil may attend a school in a district other than the pupil’s district of residence pursuant to an interdistrict agreement between the district of residence and district of desired attendance. Each school district has adopted policies regarding interdistrict attendance. Parents/guardians wishing to enroll their pupil at a school district outside of their resident school district may obtain an application for interdistrict attendance transfer from the District/COE. Interdistrict transfer agreements must be approved by both the pupil’s school district of residence and the district to which the pupil seeks to transfer. The agreement may include terms or conditions. It is within the authority of either the school district of residence or the receiving school district to revoke an interdistrict transfer/reciprocal agreement at any time for any reason the school district governing board or school district superintendent deems appropriate. If a request for an interdistrict transfer agreement is denied, the pupil’s parents/guardians may file an appeal to the county office of education in the pupil’s school district of residence within 30 days of receipt of the official notice of denial of the transfer.

**Allen Transfer**

Education Code section 48204(b) permits a school district to deem a pupil to have complied with the residency requirements for attendance if at least one parent or the legal guardian of the pupil is physically employed within the boundaries of that school district for a minimum of 10 hours during the school week. School districts within which at least one parent/guardian of a pupil is employed are not required to admit the pupil to its schools. Once admitted the pupil may attend school in the district in which the parent or guardian is employed through grade 12 so long as the parent or guardian continues to be physically employed by an employer situated within the attendance boundaries of the school district, subject to certain conditions specified in EC 48204. As a resident, the pupil does not have to reapply for the transfer to be valid.

**Intradistrict Transfer**

An intradistrict transfer applies when parents/guardians wish to register/admit/enroll their pupil(s) at a school other than the designated school that is in their attendance area within their school district. Each school district shall adopt rules and regulations establishing a policy of open enrollment within the district for residents of the district. This requirement does not apply to a school district that has only one school or a school district with schools that do not serve any of the same grade levels. Education Code section 35160.5(b) permits parents to indicate a preference for the school that their child will attend, irrespective of the child’s place of residence within the school district.

To the extent required and financed by federal law and at the request of the pupil’s parent or guardian, each school district shall provide transportation assistance to the pupil. [EC 35160.5(b)(4)].
Open Enrollment

The Open Enrollment Act [EC 48350-48361] provides an option to pupils attending low-achieving schools within their "school district of residence" to enroll in schools with higher Academic Performance Indices (API). The Superintendent of Public Instruction creates an annual list of schools subject to the provisions of the Open Enrollment Act. Parents/guardians of pupils attending any of these schools may apply for admission to a higher achieving school by January 1. The receiving school district ("district of enrollment") may adopt specific standards for the acceptance and rejection of applications under this provision. These may include consideration of capacity issues as well as the potential adverse financial impact. While technically remaining law, the CDE has replaced the API.

Every Student Succeeds Act

Districts may provide alternative supports and public school choice. Parents/guardians who are interested in finding out more about attendance and/or programmatic options should contact the District for more information on the District’s policies, procedures, and timelines for applying for transfers. [EC 43980(h)]. Please refer to Board Policy 5116 and 5117 or visit our website at www.buckeyeusd.org.

District of Choice

A school district may elect to operate the school district as a school district of choice and may accept transfers from school districts of residence pursuant to Education Code 48300 et seq. Please contact the District office to determine applicability.

36. Notice of Teacher Qualifications

LEAs will ensure that all teachers working in a program supported with Title I, Part A funds meet applicable state certification and licensure requirements. At the beginning of each school year, an LEA that receives Title I funds shall notify the parents of each student attending any school receiving such funds that the parents may request, and the LEA will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student’s classroom teachers, including at a minimum, the following: (20 U.S.C. sections 6312[c][6], 6312[e][1][A])

a) Whether the student’s teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction. (20 U.S.C. Section 6312[e][1][A][ii][I])

b) Whether the student’s teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived. (20 U.S.C. Section 6312[e][1][A][ii][III])

c) Whether the student’s teacher is teaching in the field of discipline of the certification of the teacher. (20 U.S.C. Section 6312[e][1][A][ii][III])

d) Whether the child is provided services by paraprofessionals and, if so, their qualifications. (20 U.S.C. Section 6312[e][1][A][ii])

37. Cal Grant Grade Point Average Notice:

(Districts offering grades 9-12) Pupils enrolled in grade 12 shall be deemed to be a Cal Grant applicant and pupil's grade point average forwarded to the Student Aid Commission unless pupil opts out within 30 days of notice that the school will first send grade point averages to the Commission. [EC 69432.9].

38. Electronic Notification:

This notice may be provided electronically provided a parent or guardian has so requested. [EC 48981, 48985].

39. State Mandated Testing Waivers:

According to Education Code section 60615, if parents/guardians do not want their student to take all or part of the California Assessment of Student Performance and Progress System or other similar standardized test, they are required to submit a written request to the principal of their student's school. The principal must have this letter prior to the start of each test. Parents/guardians are required to specify the test name in the letter.

40. Special Education:

Special Education programs are available to all eligible students with disabilities, ages 0-22. If you have any reason to believe your child needs special education, please contact the Division of Special Education at 5049 Robert J. Mathews Parkway, El Dorado Hills, or school site administration. [EC 65301]. (District Attachment #8)

41. Foster and Homeless Youth, Pupils of Military Families, Former Juvenile Court School Pupils, Migratory Children, and High Mobility Pupils:

Foster or homeless youth, former juvenile court school pupils, pupils of military families, currently migratory children, and newcomer program participants in their third or fourth year of high school may be exempted from local graduation coursework requirements that are in addition to state graduation requirements unless the District/COE makes a finding that the pupil is reasonably able to complete graduation requirements in time to graduate from high school by the end of the pupil’s fourth year of high school. Such pupils shall not be required to accept the exemption or be denied enrollment in, or the ability to complete, courses for which the pupil is otherwise eligible, including courses necessary to attend an institution of higher education, regardless of whether those courses are required for statewide graduation requirements. The District/COE is also required to consult with an eligible pupil and the person holding the pupil’s educational rights of the option to remain in school for a 5th year if the local educational agency determines the pupil is reasonably able to complete
the local educational agency’s graduation requirements within the pupil’s 5th year of high school. If the District/COE makes such a determination, they are required to:

- Consult with the pupil and the person holding the right to make educational decisions for the pupil regarding the pupil’s option to remain in school for a fifth year to complete the local educational agency’s graduation requirements.
- Consult with the pupil, and the person holding the right to make educational decisions for the pupil, about how remaining in school for a fifth year to complete the local educational agency’s graduation requirements will affect the pupil’s ability to gain admission to a postsecondary educational institution.
- Consult with and provide information to the pupil about transfer opportunities available through the California Community Colleges.
- Permit the pupil to stay in school for a fifth year to complete the local educational agency’s graduation requirements upon agreement with the pupil, if the pupil is 18 years of age or older, or, if the pupil is under 18 years of age, upon agreement with the person holding the right to make educational decisions for the pupil.
- For a pupil in foster care or a pupil who is a homeless child or youth, consult with the pupil, and the person holding the right to make educational decisions for the pupil, regarding the pupil’s option to remain in the pupil’s school of origin, pursuant to EC 48852.7 for a pupil who is a homeless child or youth, or EC 48853.5 for a pupil in foster care.

The District/COE shall exempt an eligible pupil from the local educational agency’s graduation requirements and provide the pupil the option to remain in school for a fifth year to complete the statewide coursework requirements if the District/COE determines that an eligible pupil is not reasonably able to complete the local educational agency’s graduation requirements within the pupil’s fifth year of high school, but is reasonably able to complete the statewide coursework requirements specified in EC 51225.3.

The District/COE shall be required to reevaluate eligibility when a pupil is determined to be not eligible for an exemption and provide written notice to the pupil, the person holding the right to make educational decisions for the pupil, and the pupil’s social worker or probation officer, if applicable, whether the pupil qualifies for an exemption within the first 30 calendar days of the following academic year. Pupils in foster care may not have their grades lowered due to absences under certain circumstances, like a change in placement or court attendance. Eligible pupils who may qualify for the exemption from local graduation requirements are entitled to notice of the exemption within 30 calendar days of the date the pupil transfers into a school.

In addition to other requirements, the District/COE is required to accept coursework satisfactorily completed by a pupil in foster care, a pupil who is a homeless child or youth, a former juvenile court school pupil, a pupil who is a child of a military family, a pupil who is a migratory child, or a pupil participating in a newcomer program while attending another public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school or agency even if the pupil did not complete the entire course and shall issue that pupil full or partial credit for the coursework completed. Eligible pupils shall not be required to retake a course if the pupil has satisfactorily completed the entire course in a public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school or agency. If the pupil did not complete the entire course, the local educational agency shall not require the pupil to retake the portion of the course the pupil completed unless the local educational agency, in consultation with the holder of educational rights for the pupil, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. If partial credit is awarded the eligible pupil shall be enrolled in the same or equivalent course, if applicable, so that the pupil may continue and complete the entire course. An eligible pupil shall not be prevented from retaking or taking a course to meet the eligibility requirements for admission to the California State University or the University of California. A complaint for noncompliance may be filed under the District/COE’s Uniform Complain Procedures. [See Paragraph 25] [EC 51225.1 et seq.]. 47. Earned Income Tax Credit Information Act:
Based on your annual earnings, you may be eligible to receive the Earned Income Tax Credit from the Federal Government (Federal EITC). The Federal EITC is a refundable federal income tax credit for low-income working individuals and families. The Federal EITC has no effect on certain welfare benefits. In most cases, Federal EITC payments will not be used to determine eligibility for Medicaid, Supplemental Security Income, food stamps, low-income housing, or most Temporary Assistance for Needy Families payments. Even if you do not owe federal taxes, you must file a federal tax return to receive the Federal EITC. Be sure to fill out the Federal EITC form in the Federal Income Tax Return Booklet. For information regarding your eligibility to receive the Federal EITC, including information on how to obtain the Internal Revenue Service (IRS) Notice 797 or any other necessary forms and instructions, contact the IRS by calling 1-800-829-3676 or through its website at www.irs.gov.

You may also be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. The California EITC is treated in the same manner as the Federal EITC and generally will not be used to determine eligibility for welfare benefits under California law. To claim the California EITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the California EITC Form (FTB 3514). For information on the availability of the credit eligibility requirements and how to obtain the necessary California forms and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or through its website at www.ftb.ca.gov.

PPRA Model Notice and Consent/Opt-Out for Specific Activities

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires school districts to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas (“protected information surveys”):

1. Political affiliations or beliefs of the student or student’s parent;
2. Mental or psychological problems of the student or student’s family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or student’s parents; or
8. Income, other than as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure, or use of student information for marketing purposes (“marketing surveys”), and certain physical exams and screenings. Policies regarding these rights may be obtained from the school district/COE.

Parents who believe their rights have been violated under this section may file a complaint with the Family Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-5901.

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) the right to access the student’s education records. Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

Additionally, parents or eligible students, maintain the right to request the amendment of the student’s education records that the parent or eligible student alleges the records contain:

1. inaccuracy, or
2. unsubstantiated personal conclusion or inference, or
3. conclusion or inference outside of the observer’s area of competence, or
4. data is not based upon the personal observation of a named person with the time and place of the observation noted, or
5. misleading information/conclusions, or
6. violations of the student’s privacy or other rights.

Parents should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it is inaccurate. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

Parents or eligible students maintain the right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception permits disclosure without consent to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing their tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

Another exception permits disclosure of appropriately designated “directory information” without written consent unless parents have advised the School to the contrary in accordance with school district procedures. The primary purpose of directory information is to allow the School to include this type of information from a student’s education records in certain school publications (e.g., yearbooks, honor roll lists, sports activity sheets). Directory information, which is information that is not generally considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without prior written consent. In addition, schools are required to provide military recruiters, upon request, with secondary students’ names, addresses, and telephone listings unless parents have advised the school that they do not want their student’s information disclosed without their prior consent.
The School has designated the following information as directory information: student's name, participation in officially recognized activities and sports, address, telephone listing, weight and height of members of athletic teams, e-mail address, photograph, degrees, honors, and awards received, date of birth, major field of study, dates of attendance, and the most recent educational agency or institution attended. Directory information does not include citizenship status, immigration status, place of birth, or any other information indicating national origin, unless consent is obtained prior to release. If parents do not want the School to disclose directory information from their child's education records without prior written consent, they must notify the School in writing [10 U.S.C. § 503, 20 U.S.C. § 7908, 34 C.F.R. § 99.37, EC 49073].

Parents or eligible students maintain the right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

Immigration Status
“Know Your Rights”

Your Child has the Right to a Free Public Education
- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students’ parents or guardians.
  - In California: All children have the right to a free public education.
  - All children ages 6 to 18 years must be enrolled in school.
  - All students and staff have the right to attend safe, secure, and peaceful schools.
  - All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
  - All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment
- When enrolling a child, schools must accept a variety of documents from the student’s parent or guardian to demonstrate proof of child’s age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. In addition, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy, and let you know of your option to refuse release of your child’s information in the directory.

Family Safety Plans if You Are Detained or Deported
- You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported.
- You have the option to complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

When disclosing such records, the Superintendent or designee shall obtain written certification by the recipient of the records as described in item #12 above. (Education Code
18. Designated peace officers or law enforcement agencies in cases where the district is authorized by law to assist law enforcement in investigations of suspected criminal conduct or kidnapping and a written parental consent, lawfully issued subpoena, or court order is submitted to the district, or information is provided to it indicating that an emergency exists in which the student's information is necessary to protect the health or safety of the student or other individuals (Education Code 49076.5; 34 CFR 99.1-99.67)

In such cases, the Superintendent or designee shall provide information about the identity and location of the student as it relates to the transfer of that student's records to another public school district or California private school. (Education Code 49076.5)

The written consent shall specify the records to be released and the party or parties to whom they may be released. (Education Code 49075)

Only a parent/guardian having legal custody of the student may consent to the release of records to others. Either parent/guardian may grant consent if both parents/guardians notify the district, in writing, that such an agreement has been made. (Education Code 49061)

(cf. 5021 - Noncustodial Parents)

Discretionary Access

At his/her discretion, the Superintendent or designee may release information from a student's records to the following:

When releasing information to any such appropriate person, the Superintendent or designee shall record information about the threat to the health or safety of the student or any other person that formed the basis for the disclosure and the person(s) to whom the disclosure was made. De-identification of Records

When authorized by law for any program audit, educational research, or other purposes, the Superintendent or designee may release information from a student record without prior consent of the parent/guardian or adult student after the removal of all personally identifiable information. Prior to releasing such information, the Superintendent or designee shall make a reasonable determination that the student's identity is not personally identifiable, whether through single or multiple releases and taking into account other reasonably available information. (Education Code 49074, 49076; 34 CFR 99.31)
Process for Providing Access to Records

Student records shall be maintained in a central file at the school attended by the student or, when records are maintained in different locations, a notation shall be placed in the central file indicating where other records may be found. Parents/guardians shall be notified of the location of student records if not centrally located. (Education Code 49069; 5 CCR 433)

The custodian of records shall be responsible for the security of student records and shall ensure that access is limited to authorized persons. (5 CCR 433)

To inspect, review, or obtain copies of student records, authorized persons shall submit a request to the custodian of records. Prior to granting the request, the custodian of records shall authenticate the individual's identity. For any individual granted access based on a legitimate educational interest, the request shall specify the interest involved.

When prior written consent from a parent/guardian is required by law, the parent/guardian shall provide a written, signed, and dated consent before the district discloses the student record. Such consent may be given through electronic means in those cases where it can be authenticated. Upon request by the parent/guardian, the district shall provide him/her a copy of the records disclosed. (34 CFR 99.30)

Within five business days following the date of request, a parent/guardian or other authorized person shall be granted access to inspect, review, and obtain copies of student records during regular school hours. (Education Code 49069)

Qualified certificated personnel shall be available to interpret records when requested. (Education Code 49069)

The custodian of records or the Superintendent or designee shall prevent the alteration, damage, or loss of records during inspection. (5 CCR 435)

of the person granted access, the reason access was granted, and the time and circumstances of inspection. (5 CCR 435)

Duplication of Student Records

To provide copies of any student record, the district shall charge a reasonable fee not to exceed the actual cost of providing the copies. No charge shall be made for providing up to two transcripts or up to two verifications of various records for any former student. No charge shall be made to locate or retrieve any student record. (Education Code 49065)

(cf. 3260 - Fees and Charges)

(cf. 5125.3 - Challenging Student Records)

No additions except routine updating shall be made to a student's record after high school graduation or permanent departure without prior consent of the parent/guardian or adult student. (5 CCR 437)

A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed pursuant to a court order. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents.

ALTERNATIVE SCHOOLS

"Notice of Alternative Schools: California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to:

(a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.

(b) Recognize that the best learning takes place when the student learns because of his desire to learn.

(c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his own time to follow his own interests. These interests may be conceived by him totally and independently or may result in whole or in part from a presentation by his teachers of choices of learning projects.

(d) Maximize the opportunity for teachers, parents, and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous permanent process.

(e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district."

11. Any other complaint as specified in a district policy

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is acceptable to all parties. ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. As appropriate for any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep confidential the identity of the complainant and/or the subject of the complaint if he/she is different from the complainant, as long as the integrity of the complaint process is maintained.

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students

6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made

7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues

8. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment

Complaint Process and Disciplinary Actions

Sexual harassment complaints by and against students shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Immigration Status
“Know Your Rights”

Your Child has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students’ parents or guardians.
  - In California: All children have the right to a free public education.
  - All children ages 6 to 18 years must be enrolled in school.
  - All students and staff have the right to attend safe, secure, and peaceful schools.
  - All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
  - All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment

- When enrolling a child, schools must accept a variety of documents from the student’s parent or guardian to demonstrate proof of child’s age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. In addition, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy, and let you know of your option to refuse release of your child’s information in the directory.

Family Safety Plans If You Are Detained or Deported

- You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported.
- You have the option to complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Policy BUCKEYE UNION SCHOOL DISTRICT
adopted: August 14, 2019 El Dorado Hills, California
ATTACHMENT 13

BUCKEYE UNION SCHOOL DISTRICT

To: Parents and Guardians of Students in the Buckeye Union School District

From: David Roth, Ph.D., Superintendent

Subject: California Law Regarding Safe Storage of Firearms

As required by Assembly Bill 452, the Buckeye Union School District reminds parents and legal guardians of all students of their responsibilities for keeping firearms out of the hands of children as required by California law. Although we have not had this issue surface in our District, there have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.

To help everyone understand their legal responsibilities, this memorandum spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to assure that you and your family are in compliance with California law.

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child’s parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others.¹

  - Note: The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.

- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child’s parent or legal guardian,

¹ See California Penal Code sections 25100 through 25125 and 25200 through 25220.
unless reasonable action is taken to secure the firearm against access by the child, even where a minor never actually accesses the firearm.²

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.³

- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.⁴

Note: Your county or city may have additional restrictions regarding the safe storage of firearms.

Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

Sincerely,

David Roth, Ph.D.
Superintendent

Acceptable Internet Use Policy for Grades K-5

If I read these pages carefully, and my mother, father or guardian signs the parent/student authorization form, I may be allowed to use a computer in the Buckeye District schools to look at the Internet and send messages to people around the world. I also know that if I do not use the Internet in the right way, I might not be allowed to use the Internet again at school and I may face disciplinary action for my behavior.

I will read the rules for using the Internet that are given below and will ask an adult at my school if I do not understand what any of them mean.

- I will be polite to other people when writing to them (or talking with them) while I am on the Internet. I will not use curse words or any language that my teacher or parent would not want me to use in my classroom.
- I will never give my name, my home address, any personal information about me or my family, or my telephone number to anyone I write or talk with on the Internet. I know that almost anyone I contact is a stranger to me, and that I don’t share personal information with any strangers no matter how nice they seem to be to me.
- I know that my teacher and my Principal want me to use the Internet to learn more about the subjects I am studying in my classroom. I will not use the Internet for any other reason. For example, I will not search for comic book sites when I am supposed to be looking for something in science.
- Because the people I write or talk with on the Internet cannot see me, they will not know what I look like or even how old I am. When I am on the Internet, I promise never to tell people that I am someone else. I will never send them personal information such as a picture or my name by using an envelope and stamp.
- I understand sometimes I may see a site on the Internet that has pictures or words that my teacher or parents would not want me to see. I will not try to find those sites and if I come across one by accident, I will leave it as soon as I can. For example, suppose I am searching for a type of animal and find a picture that only adults should see. I will quickly turn off any computer screen and ask for help from an adult. I will not continue to look at the site with the bad picture and will not show it around me. I will also not save the picture.
- I agree that I cannot use words or pictures I see on an Internet site without giving credit to the person who owns the site. For example, I will not copy information from the Internet and hand it in to my teacher as my own work.
- I may be given a password – a special word that only I know. I may have to use this password to sign onto a computer or send mail over the Internet. I know that I must never tell a friend what that password is. Only I should know my password. I know that I should never use a password for myself if that password belongs to someone else. For example, John asks me to loan him my password so he can send someone an e-mail message. John cannot remember what password he was given. I would not loan my password to him and would never ask to use his.
- I agree to not download files or programs off the Internet without prior permission from the teacher or a supervising adult. In addition I will not bring a disk from home and install or copy something onto the computer.
- I agree that I will not delete or edit any other person’s work or District data without prior permission from my teacher.

I have read the information that is written on the front page. If I did not understand the meaning of any part of it, I asked an adult to explain it to me. I agree to follow these rules at all times when I use the Internet at school.

My son or daughter, understands the rules that he or she is to follow in using the Internet at school. I have asked him or her to make sure that those rules are understood. I realize that teachers and other school officials will try their best to provide only educationally sound material from the Internet to my child and that should objectionable pictures or information appear by accident, they will take immediate action to correct the situation. I give permission to the Buckeye Union School District for my son or daughter to use the Internet while on school property. I understand that I may be held responsible for violations of the rules by my child. I understand that some material on the Internet may be objectionable, therefore, I agree to accept responsibility for guiding my child, and conveying to him/her appropriate standards for selecting, sharing and/or exploring information and media. I also understand that my child may face disciplinary action for his/her misuse of the Internet.

- I will never knowingly give my password to others, nor will I use another person’s password.
- I will never use the Internet to send or obtain pornographic or inappropriate material or files. If I should come across a site by accident I will immediately close the site and notify the teacher. I will not save it. I will not continue to look at the site and will not show it to others around me.
- Except for the usual information contained in the headers of electronic mail, I will never give out personal information such as name, address, phone number, or gender.
- I will never knowingly circumvent, or try to circumvent, security measures on Buckeye Union School District Schools’ computers or on computers at any remove site.
- I will never attempt to gain unlawful access to another person’s or organization’s resources, programs, or data or disrupt the network or other computers.
- I will not make, or attempt to make any malicious attempt to harm or destroy data of another user on the Internet, including the uploading, downloading, or creation of computer viruses.
- I agree to not download files or programs off the Internet without prior permission from the teacher or supervising adult. In addition I will not install anything onto the school computer from either a disk/CD Rom from home or anywhere else than the school without permission from the teacher or supervising adult.

Student’s Internet Agreement and Parent Permission

I have read the Acceptable Use Policy for Internet Access, as written on the front page, and understand fully and agree to follow the principles and guidelines it contains.

Parent or Guardian’s Agreement

As the parent or guardian of this student, I have read the Acceptable Use Policy for Internet Access as written on the front page. I understand that Internet access at school for students of Buckeye Union School District is provided for educational purposes only. I understand that employees of the school system will make every reasonable effort to restrict access to all controversial material on the Internet, but I do not hold them responsible for materials my son or daughter acquires or sees as a result of the use of the Internet from school facilities. I give my permission to Buckeye Union School District Middle Schools to allow the student above to use the Internet on computers at the school. I understand that I may be held responsible for violations of the rules by my child. I understand that some material on the Internet may be objectionable; therefore, I agree to accept responsibility for guiding my child, and conveying to him/her appropriate standards for selecting, sharing and/or exploring information and media. I also understand that my child may face disciplinary action for his/her misuse of the Internet.

e-Reader Acceptable Use Policy and Agreement

For the purpose of this agreement, e-Readers are defined as digital devices that can be used to store books, magazines, and other electronic media. Examples of e-Readers are Barnes & Noble’s Nook, Amazon’s Kindle, the Apple iTouch and iPad, and the Sony Reader. BUSD recognizes that these devices and others like them are quickly becoming a routine tool in the lives of our students both now and in the future. It is the goal of BUSD to support the use of technology as a tool for learning and life skills for our students. To that end, this agreement has been developed to demonstrate our support and to clearly define our expectations as students bring these electronic tools to school. The opportunity to use e-Reader devices is a privilege that requires extra caution and responsibility both on the part of the students and their parents.

Acceptable Use

Most devices that are used as e-Readers have additional capabilities beyond the routine purpose of reading. This creates a challenge in terms of monitoring and controlling their appropriate use in school. This acceptable use policy is meant to be very clear and very specific. If a student should choose to violate this policy, he/she may immediately lose the privilege to use the e-Reader at school for a period of time to be determined based on the specific circumstances for the student.

1. All students in possession of an e-Reader device to be used at school must have acknowledged and signed the Parent/Student Authorization Page.

2. e-Readers are to be used only for reading of material that applies to school. An e-Reader is not to be used for gaming or other entertainment purposes while being used at school.

3. All e-Readers must have internet capabilities disabled (turned off) while at school. This may be checked by school personnel for compliance at any time.

4. e-Readers must be used at appropriate times as indicated by instruction. The e-Reader must not be a distraction to the student using it or to others around that student.

5. The student is responsible for knowing how to properly and effectively use the e-Reader at school.
Parent/Guardian Agreement

I authorize my child to bring their e-Reader to school with the understanding that it is to be used as a tool for reading only during designated times. My child will comply with the Acceptable Use Policy. I understand that the Buckeye Union School District and schools are not responsible for any damage or loss associated with my child’s e-Reader. I also understand that a violation of the e-Reader policy may result in my child losing the privilege to bring their e-Reader to school for a length of time commensurate with the nature of the violation.

Student Agreement

I agree to abide by the guidelines set forth in this policy. I understand that a violation of the e-Reader policy might result in losing the privilege to bring the e-Reader to school. I understand that I am responsible for taking reasonable care of the e-Reader to avoid damage or theft.
Google Apps for Education in
Buckeye Union School District

Dear Parents/Guardians:

Buckeye Union School District is pleased to announce the implementation of “Google Apps for Education” (GAFE) for students, teachers, and administrative staff. “Google Apps for Education” is a suite of free, web-based tools like email (Gmail), document creation tools (Google Docs), and other collaboration tools. Using GAFE, all students will have accounts that will allow for their documents and presentations to be stored online and accessible from home, school, and any other location where there is an Internet connection. Home computers do not need special software to access GAFE—only access to the Internet. When students use GAFE, there will be no need for students to carry flashdrives, cd’s, and other storage devices to submit their work at school.

Currently, students will have access to Google Docs, Gmail, and Google Sites. Students will be receiving instruction as to how they can use GAFE. Each student’s Gmail account is set up so that they can email students and teachers within the Buckeye Union School District only. The account is not open to email from outside sources and is expected to be used at school for school-related purposes. The Gmail account will provide the means for students to be able to share documents and collaborate on a variety of projects.

1. Students will follow school policies for appropriate use when using Internet-based services like Google Apps. These services are considered to be an extension of the school’s network. Students will have no expectation of privacy in their use of GAFE as school personnel have the right and ability to monitor user accounts for policy and security enforcement.

2. Student email is archived for a period of time and the Student Acceptable Use Policy will be enforced. School staff will make every effort to monitor students’ use of applications while at school. Parents are responsible for monitoring their child’s use of applications when accessing programs from home. Students are responsible for their own behavior at all times.

RE: INSURANCE PROTECTION FOR YOUR CHILD 2023/2024 SCHOOL YEAR

Dear Parent(s):

The safety of our students is of utmost importance in the Buckeye Union School District. As such, the District takes appropriate steps to protect your child from injuries. Even so, accidents can and do happen while participating in activities that take place on campus, on school trips, and during extra-curricular activities and sports.

The Buckeye Union School District does not provide accident medical insurance for school-related injuries, which means you are responsible for all medical bills in the unfortunate circumstance that your child is injured during school activities. The voluntary student accident/health insurance plans offered by Myers-Stevens & Toohey Co., Inc. may help you pay those bills.

Many coverage options are available, so please read their brochure carefully. These voluntary participation plans are a low-cost way for parents to protect their children. They can be used on a standalone basis for those with no other health coverage or as “gap coverage” to assist with the high deductibles, high co-pays, and other inside limits common to many of today’s health plans. The student insurance plans also allow you to take your child to the doctor or hospital of your choice.

Should you choose to participate in one of these student insurance plans, please complete the brochure’s enrollment form available on the District website at www.buckeyeusd.org under “Parent Resources” > “Student Insurance.” Please enclose payment with your completed enrollment form and mail directly to Myers-Stevens & Toohey Co., Inc. You will want to keep the brochure in a safe place in the event your child is injured.

If you have any questions, please call the plan administrator, Myers-Stevens & Toohey Co., Inc. at (800)827-4695 or (949)348-0656. For more information about ACA, please refer to www.HealthCare.gov.

Sincerely,
