

Buckeye Curbside Meals

Student Nutrition Services is excited to provide daily curbside meal pick-ups at each school site. Our hours are from 10:45-12:15 Monday-Friday according to our school calendar.

Parents can pick up students' meals for all enrolled BUSD students at one site. You do not have to drive to each of your children's schools. We will not be able to feed siblings who are not enrolled in Buckeye Union School District, as this program is for students only.

Meal pick-up process/locations

Parents/guardians will need to show proof of BUSD enrollment at meal pickup (Student ID, Report Card). We will have a roster and can look up students by name, but an ID would help us.

At Rolling Hills Middle School, the pick-up location is the bus circle. Pull up to the MP room at the bus circle at the allocated hours (10:45-12:15 Monday-Friday).

Menus

Visit www.buckeyecafe.org. Select Menu tab for current menu.

Meal costs and payments

Meals will be charged to the student's account according to the student's eligibility status (free, reduced, or paid) and/or the eligibility designation of their home school.

There must be sufficient funds in a student's meal account to cover the cost of meals.

Please fill out our meal application to qualify for free or reduced price meals. (This will be available July 20 for the 2020-2021 school year). Go to www.buckeyecafe.org and click on "Apply Online." Or, to have an application mailed to you, please email ischwab@buckeyeusd.org.

- Set up your student's meal account at www.myschoolbucks.com if you do not already have one. You will need your student's ID number.
- We prefer parents to pay online.
- If you want to pay by check, we will take a check with clearly marked student's name in the notes section at curbside.
- We will be unable to accept cash in the distribution curbside line; you can arrange to pay by cash by contacting our Nutrition Services office at 530-677-2277, Ext. 1247.

Meal prices

Lunch \$3.00, reduced cost meal \$.40

Breakfast \$1.75, reduced cost meal \$.30

Frequently asked questions

Are meals available to any child under 19 years of age as was allowed during the spring 2020 semester and summer meal service?

Different regulations applied during the spring district shutdown and summer meal service program. Meals served during the school year are only available to enrolled BUSD students with a valid student ID. Parents/guardians will need to show proof of BUSD enrollment at meal pick up. (Student ID, Report Card, etc.) We will not be able to serve siblings that are not enrolled in BUSD.

POSSIBLE CHANGES There is current legislation that MAY allow us to serve all students for FREE. At this time, the legislation has not been passed. We are hoping the “Pandemic Child Hunger Prevention Act” is passed quickly which will allow us to serve your students free meals during these uncertain times. Stay tuned as things may change quickly and we will update you as soon as we can.

Unless the legislation passes and we receive a waiver from the USDA that would allow continuous free meals, we plan to offer breakfast and lunch meals based on student eligibility.

What if my students require a diet modification?

Any student who has a physician prescribed and physician signed BUSD Medical Statement Form on file can contact Imelda Schwab at 530-677-2277 Ext. 1247.
