### **Complaints Concerning District Employees**

AR 1312.1

#### **Community Relations**

Every effort should be made to resolve complaints regarding district employees at the earliest possible stage. Any person who complains about a district employee shall be encouraged to resolve the matter informally through direct communication with the employee whenever possible.

If a complainant is unable or unwilling to resolve the complaint directly with the employee, the complainant may submit a written complaint to the principal or other immediate supervisor of the employee. Complaints related to a principal or district administrator shall be initially filed in writing with the Superintendent or designee. If the complainant is unable to prepare the complaint in writing, administrative staff shall provide assistance in the preparation of the complaint. All complaints related to district personnel, other than administrators shall be submitted in writing within 10 working days of incident.

A written complaint shall include the full name of the employee involved, a brief but specific summary of the complaint and the facts surrounding it, and a description of any prior attempt to discuss the complaint with the employee and the failure to resolve the matter.

To promote prompt and fair resolution of the complaint, the following procedures shall govern the resolution of complaints against district employees:

1. When a written complaint is received, the employee who is the subject of the complaint shall be notified within five days or in accordance with the collective bargaining agreement.
2. The principal or other immediate supervisor of the employee shall investigate and attempt to resolve the complaint to the satisfaction of the parties involved within 30 days. A complaint against a school or district administrator shall be investigated by the Superintendent or designee. The investigation may include interviews of the employee, complainant, or witnesses as necessary and/or a review any documentation relevant to the complaint.
3. Both the complainant and employee shall be notified in writing of the final decision regarding the resolution of the complaint.
4. Either the complainant or the employee against whom the complaint was made may appeal the decision. A decision by the principal or immediate supervisor may be appealed to the Superintendent or designee, who shall attempt to resolve the complaint to the

satisfaction of the parties involved within 30 days. Parties should consider and accept the Superintendent or designees decision as final. However, the complainant, the employee or Superintendent/designess may ask to address the Board. Before any consideration of a complain, a full record of the complaint and the facts surrounding it will be provided to the Board. The Board reserves the right to uphold the Superintendents decision without hearing the complaint.
