

Oak Meadow Cross Country 2021 Schedule

Meets run 3:15 to about 5:00. The usual format is to run third grade first, then fourth, and fifth graders run last. Often times order can be changed. We do not know this ahead of time, so to insure you see your child run, the best thing to do is be there at the start of the meet.

On meet days that require a bus, the bus will usually load at 2:15 in front of the Oak Meadow office. Remember, you must provide supervision for your child from 1:10, when school is dismissed on Wednesdays, until bus loading time. Coaches can pick children up from Extended Day, so this is one supervision option for you to look into. In addition, you ***must provide transportation home from each meet***. There is no bus rides back to school or home. Lastly, and most importantly, ***remember to sign your child out from each meet***. We will have a parent in charge at the popup structure for you to find and check out.

*Be flexible with our schedule. Regular season meet dates can be changed after the school year starts. Watch for written communications from the coaches or watching the electronic calendar that the office sends out via email.
