

Prior to the new school year starting, there are often school supplies on sale and parents are interested in what they might provide for their child's upcoming return to school. The following supply lists have been developed for parents who wish to know what supplies might benefit their child at their grade level. It is a parent's option as to whether or not to purchase these items. These lists are made available for the convenience of our families:

7TH GRADE

SUGGESTED SUPPLY LIST

(Some items will need to be restocked throughout the year)
