RHMS Library News

March is Women's History Month, and this year's theme is "Valiant Women of the Vote." America is continuing to celebrate the 100th anniversary of the passage of the 19th Amendment, which gave women the right to vote. If you want to know more about Women's History Month, visit the [National Women's History Alliance website](#). Try one of the quizzes you can take to test your knowledge of important women in our history. I'll also be featuring books about world-changing women in our library displays.

March is also the month of leprechauns, shamrocks, and all things lucky. In the spirit of St. Patrick's Day, I'd like to announce a raffle drawing for March—because what could be luckier than winning a free book? Any student checking out a book from the library during March will be entered into a drawing for a free book of his or her choice (\$25 limit). The winner will be announced on the last day of school before Spring Break: March 26. One entry per student.

Need a good book? Complete the [RHMS Book Request Form](#), email me directly at leszinske@buckeyeusd.org, or visit the Outdoor Library before class or during the Nutritional Break. Have a book suggestion for our library? Fill out this [google form](#) to send me your ideas.

Happy Reading! – Ms. Leszinske

Free Virtual Tutoring Resources:

Free tutoring resource: Check out educ8sac.org or @initi8np0 on social media. It is a free tutoring program started by current ORHS juniors and seniors (and RHMS grads!) and is dedicated to ensuring success to grades K-8 for free. All tutors are high-level high school upperclassmen and college students. They aim to lower the learning deficit created by distance learning while alleviating the stress for parents of children who are falling behind. All sessions take place online and are organized for each student's needs. Check out more information about this program on our website educ8sac.org.
