WHAT IS THE PTO? HOW IS IT MAKING A DIFFERENCE?

The VVCM PTO (Parent-Teacher Organization) consists of parents, teachers and administrators working together to support and enrich the school experience for all students at VVCM. The PTO works hard to increase school spirit and build school community by organizing and hosting school events like the Back to School Celebration and Harvest Festival. The PTO also fundraises money throughout the school year with fundraisers like the fun run and the annual dinner auction. Money raised at PTO fundraisers helps to fund community building events while also providing financial support to VVCM in the form of purchasing chromebooks for classrooms, providing teachers with classroom start-up funds, funding the initial start-up and continued development of the STEAM Lab, plus much more!
