

6th GRADE SUGGESTED SUPPLY LIST

Prior to the new school year starting, there are often school supplies on sale and parents are interested in what they might provide for their child's upcoming return to school. The following supply lists have been developed for parents who wish to know what supplies might benefit their child at their grade level.

FOR YOUR BACKPACK (ALL STUDENTS): These items should be carried with you at all times, since they may be needed in more than one class, and will need to be replenished throughout the year.
