

# VVCM Learning Center

## Elementary Supply List

### Distance Learning Packet 2020-21

For students to participate in lessons during distance learning, we would like them to each have an individual, self contained supply packet. This will help them be ready for Zoom sessions. As well, when the campus does open, this will be something that can continue to be utilized and be specific to a student as we anticipate supplies will not be shared even when we re-open.

If this is a hardship, please let us know and we will supply one to your student.

If you are not comfortable shopping for supplies at this time due to COVID-19 and would like to donate cash, we will shop and assemble the supply packet for you. \$10 should cover it.

#### Supply list

- Ticonderoga pencils OR mechanical pencils
- A pencil sharpener if not using mechanical pencils
- Box of crayons (up to third grade)
- One blue and one red ball point pen (4th grade and up)
- Eraser
- Scissors
- highlighter
- Three glue sticks
- 3 dry erase markers , black, thin, bullet tip are best (Wal mart has them)
- White board eraser (sock works great!)
- Zipper pouch to hold it all (can also use gallon ziplock)
- Optional: colored pencils, markers

We will be giving you a small whiteboard to take home on Rattler Ready Day
