

VALLEY VIEW ATHLETICS 19/20

Sports are offered based on student interest and coaching availability. Students wishing to participate in an athletic program must return the associated **Permission Slip AND a Sports Packet**. The suggested donation helps cover the associated costs, but is *not* required for participation. However, **donations help ensure the continuation of the athletic program**. For further athletics information, please contact the VVCM Athletic Director, Travis Saura, at TSAURA@BUCKEYEUSD.ORG.
