AGENDA ITEM #: IX.2.  
ACTION: Authorization to Post Bidding Documents for the VVCM Middle School Lunch Area Project

SITUATION:

Public Contract Code Section 20111 requires that contracts for public works construction projects exceeding $15,000.00 be legally advertised and awarded to the lowest responsive and responsible bidder, who shall have such surety as the Board requires.

On February 19, 2020 the Governing Board approved staff to enter into a contractual agreement with Kirk S. Brainerd (Architect) to prepare construction documents for the Valley View Charter Montessori Middle School Lunch Area Project to submit for DSA approval. The District received DSA approval on February 27, 2020.

The Project is required to be bid and the scope of work includes, but is not limited to the following: installation of concrete flatwork, a 20'x30' shade structure, a drinking fountain/bottle filling station, picnic tables and minor landscaping.

This Project is to be managed by the Facilities Department in conjunction with Kirk S. Brainerd (Architect). This Project will also require DSA approved inspectors.

PLAN:

The plan is to have the Board authorize staff to post bidding documents for the Valley View Charter Montessori Middle School Lunch Area Project, with a planned bid opening date of April 2, 2020. Assuming a lowest responsive and responsible bidder is identified through this process, the matter will be brought back to the May 6, 2020 Board meeting to award the contract.

FISCAL IMPACT:

This Project will have no impact on the General Fund. Total Project Cost to be determined after opening of bids. If the contract is awarded, Funding will come from Fund 49.

SUPERINTENDENT’S RECOMMENDATION:

The Superintendent recommends that the Board authorize staff to post Bidding Documents for the Valley View Charter Montessori Middle School Lunch Area Project.
