This Memorandum of Understanding (the “Agreement”) is entered into this 15th day of November, 2019, by and between Special Olympics Northern California, Inc., a California nonprofit public benefit corporation (“Special Olympics”), and Buckeye Union Elementary School District (the “School Entity”), hereinafter collectively referred to as the “parties.”

The parties intend by this Agreement to implement the Special Olympics Northern California Schools Partnership Program (“Schools Partnership Program”). The Schools Partnership Program is a K-12 education program that unifies students with and without disabilities through sports and Whole-School Involvement initiatives, as defined below, which provide the participants with the knowledge, experience, and skills necessary to create and sustain school communities that promote inclusion, acceptance, and respect for all students. The Schools Partnership Program is conducted during the regular school day and consists of the following components:

1. Sports
   a. Unified Sports: combines students with and without disabilities on sports teams for training and competition.
   b. Traditional Special Olympics Sports: students receiving special education services train and compete against each other in soccer (fall), basketball (winter), and track & field (spring).
   c. Young Athlete Program: preschool and young elementary students participate in single-day introductions to sports and Special Olympics.

2. Whole-School Involvement: A youth-centered, school-focused initiative that uses the Special Olympics sports and education program to activate all students, engage educators, involve the entire school, and promote a campus culture of acceptance and social inclusion where all young people are agents of change. Examples of Whole-School Involvement include, but are not limited to, volunteering at a Special Olympics competition, hosting an ability awareness day, organizing an essay writing contest on the topic of acceptance, and other activities that encourage inclusion and respect.
To implement the Schools Partnership Program, the parties agree as follows:

1. **Term.** The Agreement will become effective upon approval by the School Entity’s governing board, and will remain in effect through May, 2020. The parties anticipate renewing and expanding the Schools Partnership Program by subsequent written agreement, to take effect after the expiration of the term of this Agreement.

2. **Responsibilities of Special Olympics.** Special Olympics will support the Schools Partnership Program as follows:
   
   A. By providing a financial grant (the “Grant”) to the School Entity in the amount specified in Exhibit A to defray the costs incurred by the School Entity in implementing the Schools Partnership Program. Special Olympics will pay the Grant to the School Entity in two equal installments, as specified in Exhibit A. No installment payment will be made by Special Olympics unless and until all prior payments made under this Agreement have been negotiated.

   B. By providing input to assist School Entity with its selection of the Schools Partnership Program Coordinator (the “Coordinator,” as defined herein in Paragraph 3B). Final selection of the Coordinator shall be made by School Entity, with such input by Special Olympics.

   C. By providing training to the Coordinator and other School Entity representatives as may be necessary for the successful implementation and operation of the Schools Partnership Program.

   D. By providing the sports equipment required to conduct the Schools Partnership Program. Said equipment will remain the property of Special Olympics and will be returned to Special Olympics upon termination of this Agreement, should this Agreement not be renewed. Special Olympics will further provide Special Olympics materials and support to assist the School Entity with implementation of the Schools Partnership Program.

3. **Responsibilities of the School Entity.** The School Entity will implement the Schools Partnership Program as follows:

   A. By providing the Schools Partnership Program for students at the sites and in the grade levels identified in Exhibit A, commencing in November, 2019 and extending through
May, 2020. The Schools Partnership Program will include both sports training and competition and Whole-School Involvement initiatives.

B. By selecting a teacher with a current California teaching credential, who is regularly employed by the School Entity, to serve as Coordinator. The Coordinator shall promote, coordinate, and operate the Schools Partnership Program in accordance with the terms of this Agreement. The Coordinator shall utilize Special Olympics materials to recruit, train, and coordinate volunteers, teachers, and classroom aides, in order to ensure that they are prepared for their responsibilities in working with the students who participate in the Schools Partnership Program, and to satisfy all statutory and other qualification requirements.

C. By securing the necessary facilities for the Schools Partnership Program, including for both sports training and competition activities.

D. By involving general education students as active participants in the Schools Partnership Program, including as Unified Sports partners, coaches, volunteers, peers, leaders, and supporters.

E. By appropriately acknowledging Special Olympics and any other organizations or individuals which or who provide funding and/or other support for the Schools Partnership Program.

F. By providing program participation data to Special Olympics on a monthly basis. Such shall include, number of students participating in sports training and competition, number of students participating in Whole-School Involvement initiatives, number and type of competitions hosted, and number and type of Whole-School Involvement initiatives hosted. It will be the responsibility of the Coordinator to collect and report this data to Special Olympics. Special Olympics will provide the necessary forms for data reporting.

4. License to Use Special Olympics Marks. Special Olympics hereby grants to the School Entity a non-exclusive and non-transferable license to use the Special Olympics name and logo (collectively, the “Special Olympics Marks”) for the Schools Partnership Program’s promotion and operation. However, any use of the Special Olympics Marks will be subject to Special Olympics’ prior approval as to usage, style, and content. The license granted under this Agreement will terminate when this Agreement terminates.
5. **Indemnification.**

   A. The School Entity shall defend, indemnify, save, keep and hold harmless Special Olympics, Special Olympics, Inc., and their officers, directors, employees and agents, from and against any and all liabilities, obligations, claims, damages, judgments, injuries, losses or expense (collectively “loss” or “losses”) arising from, relating to, or in connection with this Agreement, its performance, or the Schools Partnership Program, but only in proportion to and to the extent that such losses are caused by or result from the negligent or willful acts or omissions of the School Entity, its governing board, officers, employees, volunteers or agents. Special Olympics shall provide the School Entity with prompt written notice of any claim or action for which indemnification is sought hereunder and shall cooperate in all reasonable respects with the School Entity in connection with any such claim or action.

   B. Special Olympics shall defend, indemnify, save, keep and hold harmless the School Entity, its officers, directors, employees and agents, from and against any and all liabilities, obligations, claims, damages, judgments, injuries, losses or expense (collectively “loss” or “losses”) arising from, relating to, or in connection with this Agreement, its performance, or the Schools Partnership Program, but only in proportion to and to the extent that such losses are caused by or result from the negligent or willful acts or omissions of Special Olympics, its board, officers, employees, or agents. The School Entity shall provide Special Olympics with prompt written notice of any claim or action for which indemnification is sought hereunder and shall cooperate in all reasonable respects with Special Olympics in connection with any such claim or action.

6. **Insurance.**

   A. The School Entity shall maintain during the full term of this Agreement the following insurance amounts, coverage, and terms:

   (1) Commercial General Liability Insurance with limits not less than $1,000,000 (one million dollars) each occurrence Combined Single Limit for Bodily Injury and Property Damage.

(3) Workers’ Compensation Insurance, with Employer’s Liability limits not less than $1,000,000 (one million dollars) each accident.

B. All School Entity policies shall provide thirty (30) days advance written notice to Special Olympics of any cancellation, non-renewal, or reduction in coverage to the following office and contact:

Special Olympics Northern California, Inc.
3480 Buskirk Avenue, Suite 340
Pleasant Hill, CA 94523
Attn: President & CEO

C. If any policies are written on a claims-made form, the School Entity agrees to maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, such that should occurrences during the Agreement term give rise to claims made after expiration of the Agreement, such claims shall be covered.

D. Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs are included in such general annual aggregate limit, such annual aggregate limit shall be double the occurrence or claims limits specified above.

E. Before commencing any operations under this Agreement, the School Entity shall provide Special Olympics with a certificate(s) of insurance, evidencing all coverages set forth above, and shall furnish complete copies of policies promptly if requested.

7. Criminal Background Checks. Any person expressly designated in writing by Special Olympics following the execution of this Agreement who will attend or perform services in connection with the Schools Partnership Program on behalf of Special Olympics, and who has more than limited contact with School Entity pupils, shall first comply with the requirements of Education Code § 45125.1, et seq., and any other controlling regulations, concerning fingerprinting and criminal background checks through the California Department of Justice, to be undertaken by the School Entity at the School Entity’s expense. The School Entity shall have sole and final discretion regarding what constitutes a “limited contact” under Education Code §45125.1. Special Olympics will make its designated personnel available at the School Entity
offices for fingerprinting and background checks at such reasonable times as may be requested by the School Entity. Special Olympics shall not be responsible to conduct background checks on any persons who volunteer or otherwise perform or provide services in connection with the Schools Partnership Program. All such persons shall first apply through the School Entity and be subject to the School Entity’s usual fingerprinting and background clearance procedures.

The School Entity shall be responsible for the supervision and evaluation of the Coordinator and any other School Employees assigned to perform services under this Agreement. The School Entity, and not Special Olympics, will maintain all legal responsibility for students and staff participating in the Schools Partnership Program.

Schools Partnership Program: A unique education program offered by Special Olympics Northern California (Special Olympics) in partnership with participating schools. SPP unifies students with and without disabilities, in grades pre-K through transition (age 22), through sports and inclusive activities. These activities provide students with the skills necessary to develop and sustain school communities that promote inclusion, acceptance, and respect for all students.

Unified Sports: Students with and without disabilities participate together on sports teams for training and competition.
  - Unified Athletes: Unified Sports athletes receiving special education services
  - Unified Peers (Unified Peer Partners): Unified Sports athletes from general education

Traditional SPP Sports: Students with disabilities (i.e., on an IEP or 504 plan) train and compete against each other. Team sports and individual skills events are offered to ensure opportunities for all levels of student participation. This allows for students to improve and advance if appropriate from participation in Skills, to Traditional, to Unified Sports, in a least restrictive environment.

Young Athletes Program: Younger students (ages 2-7) participate in single-day introductions to sports and Special Olympics.

Whole-School Involvement/Engagement (School Community Awareness): This youth-centered, school-focused initiative uses the Special Olympics sports and education programs to activate all students, engage educators, involve the entire school, and promote a campus culture of acceptance and social inclusion where all young people are agents of change. Activities can include Fans in the Stands, Ability Awareness & Respect campaigns, and the Spread the Word to End the Word campaign, among others.

Inclusive Youth Leadership: Students with and without intellectual disabilities work together to lead and plan advocacy, raise awareness, and promote other Special Olympics related inclusive activities throughout the school year. Activities can include student volunteering opportunities, Student Council involvement, and a Buddy Club or other inclusive group, among others.

Unified Champion School: This designation is earned by a school which participates in all three components of the School Partnership Program:
  - Unified Sports
  - Inclusive Youth Leadership
  - School Community Awareness (Whole School Involvement)

Champion School Agreement: A written agreement between Special Olympics and an SPP school regarding the implementation of a plan to meet all of the requirements for Unified Champion School status during a specific school year.

2019 Board Calendar revised 11.6.19
BUCKEYE UNION SCHOOL DISTRICT

AGENDA ITEM #: XI.5. Approve Offering Golden Handshake Early Retirements to Public Employees Retirement System (PERS) Staff Members

SITUATION:
Our District is included in El Dorado County Office of Education’s contract with the Public Employees Retirement System. For this reason, it is the County Board of Education who must approve a resolution in support of our offering a Golden Handshake opportunity to our classified and our confidential employees. In order for our employees to qualify for the PERS Golden Handshake, the following criteria must be met:

A. An overall cost savings must be demonstrated by the position being eliminated, held vacant for a period of time, or the replacement employee’s salary and benefits will be substantially less to cover the cost of the purchase of two years’ service credit.

B. The employee meets the age and length of service requirement before or during the “open window” period as per the California School Employees Association contract with the District, Article 12.4. (Confidential employees not covered by the CSEA contract must meet PERS age requirements.)

PLAN:
In order for our District to offer the Golden Handshake option from December 19, 2019 through April 1, 2020 a resolution by the County Board must be approved. The County Board meets on December 13, 2019.

FISCAL IMPACT:
Golden Handshake Early Retirements will result in an overall financial savings for the District. The specific amount of savings is dependent upon the individual employee’s current placement on the salary schedule and the cost of the replacement.

LONG RANGE GOAL:
District Goal #2: Maintain Fiscal Integrity and Accountability of District; A. Develop a balanced budget using state budget standards and board policy that includes criteria for contingency reserve beyond the 3% requirement.

SUPERINTENDENT’S RECOMMENDATION:
The Superintendent recommends that the Board approve the offering Golden Handshake Early Retirements to Public Employees Retirement System (PERS) staff members from December 19, 2019 through April 1, 2020.

AGENDA ITEM #: XI.6. ACTION: Establish the Date of the Annual Organizational Meeting

SITUATION:
According to Education Code Section 35143 and 5017, the governing board of each school district shall hold an annual organizational meeting.

The Education Code also provides that, unless otherwise provided by rule of the governing board, the day and time of the annual meeting shall be selected by the Board at its regular meeting held immediately prior to December 13th, and the board shall notify the County Superintendent of Schools of the day and time selected.

The El Dorado County Office of Education has notified the District that an annual meeting shall be held within a fifteen-day period that commences on November 26, 2019. This year, the 15-day window period, established by statute, to hold the Annual Organization Meeting begins on Friday, December 13th and runs through Friday, December 27th.

PLAN:
Buckeye Union School District’s regular December Board meeting is scheduled for December 18, 2019, which is within the fifteen-day time requirement. The plan is to identify and establish the regular meeting of the board on December 18, 2019, as the annual organizational meeting.

FISCAL IMPACT:
N/A

SUPERINTENDENT’S RECOMMENDATION:
The Superintendent recommends that the Board identify and establish December 18, 2019, as the annual organizational meeting.
BUCKEYE UNION SCHOOL DISTRICT

AGENDA ITEM #: VII.7

ACTION: Approval of the Attached Form J-13A to Allow the Buckeye Union School District to Claim Estimated Attendance for October 9th, 10th, and 28th, 2019

SITUATION:
California Education Code allows districts to request the substitution of estimated days of attendance for the actual days of attendance because of emergency conditions. The power outage that occurred on Wednesday and Thursday, October 9th and 10th, 2019 at the Oak Meadow Elementary School Site qualifies for this type of emergency condition.

California Education Code also allows districts to request a waiver when the Average Daily Attendance (ADA) has been materially decreased because of a power outage. A decrease in the average daily attendance is material for the purposes of Education Code Section 46392 when at least ten percent of the students who would normally attend a school do not attend on any one day. The power outage that occurred on Monday, October 28, 2019 at the Blue Oak Elementary School Site (82.83%), the Camerado Springs Middle School Site (79.21%) and the Buckeye Elementary School (81.56%) site qualifies for this type of emergency condition.

PLAN:
The plan is to have the Board approve the attached Form J-13A to allow the Buckeye Union School District to claim estimated attendance for October 9th, 10th and 28th, 2019 in lieu of actual attendance.

FISCAL IMPACT:
The District will be able to claim an estimated attendance for October 9th, 10th, and 28th, 2019 for Oak Meadow Elementary, Blue Oak Elementary, Camerado Springs Middle School and Buckeye Union Elementary in lieu of the actual attendance based on the October P-1 report of attendance for these sites.

LONG RANGE GOAL:
District Goal #2: Maintain Fiscal Integrity & Accountability of the District

SUPERINTENDENT’S RECOMMENDATION:
The Superintendent recommends that the Board approve the request for allowance of attendance due to emergency conditions and the submission of the attached Form J-13A to EDCOE and CDE

The power outage that occurred on Wednesday and Thursday, October 9th and 10th, 2019 at the Oak Meadow Elementary School Site qualifies for this type of emergency condition.

California Education Code also allows districts to request a waiver when the Average Daily Attendance (ADA) has been materially decreased because of a power outage. A decrease in the average daily attendance is material for the purposes of Education Code Section 46392 when at least ten percent of the students who would normally attend a school do not attend on any one day. The power outage that occurred on Monday, October 28, 2019 at the Blue Oak Elementary School Site (82.83%), the Camerado Springs Middle School Site (79.21%) and the Buckeye Elementary School (81.56%) site qualifies for this type of emergency condition.

PLAN:
The plan is to have the Board approve the attached Form J-13A to allow the Buckeye Union School District to claim estimated attendance for October 9th, 10th and 28th, 2019 in lieu of actual attendance.

FISCAL IMPACT:
The District will be able to claim an estimated attendance for October 9th, 10th, and 28th, 2019 for Oak Meadow Elementary, Blue Oak Elementary, Camerado Springs Middle School and Buckeye Union Elementary in lieu of the actual attendance based on the October P-1 report of attendance for these sites.

LONG RANGE GOAL:
District Goal #2: Maintain Fiscal Integrity & Accountability of the District

SUPERINTENDENT’S RECOMMENDATION:
The Superintendent recommends that the Board approve the request for allowance of attendance due to emergency conditions and the submission of the attached Form J13A to EDCOE and CDE
