2. Association Reports:
   - BTA: None
   - CSEA: None

   Principal Kim Zawilski reported. District 4 Representative Lori Parlin visited CMP. Representative Parlin wanted to see all the classrooms. Ms. Zawikski said that she truly enjoyed giving her a tour of her school facilities. It provided a great opportunity to have the kids meet a local representative. Enrollment is slightly up with 24-25 kids per class at some grade levels. The Board approved their unaudited actuals for the 2018-2019 school year. Currently they are implementing a program named I-Ready, which kids are embracing.

4. Rising Sun Montessori Report: Karl Zierhut
   Head of School Karl Zierhut, reported that they are finishing up their book fair. Mr. Zierhut reported that school is on a nice rhythm and they have completed their back to school night. Mr. Zierhut reported enrollment is currently approximately 140. They just finished their unaudited actuals and turned them into Ms. McHaney.

5. Clarksville Charter School Report: Julie Haycock
   Julie Haycock introduced Janelle Sherman as the new Principal of the Clarksville Charter School. Ms. Haycock said that they have been working on a Community Connection team, this team helps children make
connections with other home school students. She said that they are planning an impact day and they have chosen to help clean up Folsom Lake.

Julie Haycock introduced herself and reported on behalf of Cottonwood. Ms. Haycock advised the Board that with respect to the in-seat portion of this charter, there are currently only five (5) high school students in attendance. The remainder of the enrollment is in the homeschool program. Cottonwood recognizes the issue this presents and is working on plans to improve their numbers. Ms. Haycock also reported that the Cottonwood families are transitioning well into the program.

Ms. Haycock reported that Cottonwood has already begun the WASC accreditation process with the filing of their application. The initial visit is set to occur in December 2019. She looks forward to working through this process and receiving the WASC accreditation. Ms. Haycock reported that they have never had a school not obtain WASC accreditation.

Ms. Haycock also advised the Board that until recently, Inspire was a dues paying member of the California Charter Schools Association. Recently, the CCSA issued a letter, to their surprise, notifying all authorizers of CCSA’s concerns and their removal from this organization. Ms. Haycock reported that they voluntarily entered into an improvement process with CCSA and was working cooperatively with them on their recommendations - so this was surprising.
