**COMMENTS**

Brett Barley, Gary Bowman and I met with El Dorado County Superintendent Ed Manansala and gave him a tour of our school. We had an opportunity to discuss the CMP Shingle Springs Montessori Program in action, our school’s participation in the El Dorado County Sports League, the County Spelling Bee, and professional development opportunities with the County Office of Education. It was a wonderful opportunity for us to share some details about our focus and vision and we all felt very supported by Superintendent Manansala.

CMP Shingle Springs’s Sports Programs are in full swing! Our Cross Country Team (grades 3-8) is busy practicing and competing with other local schools. The Co-ed JV and Varsity Flag Football Teams (grades 6-8) are playing hard and we enjoy hosting our home games. Our Girls JV and Varsity Volleyball Teams (grades 6-8) are undefeated this season and have an eager eye on the League Playoffs!

AGENDA ITEM #: IX.9.

ACTION: Ratification of the Agreement Reached between Buckeye Union School District and the California School Employees Association, Chapter 683 regarding the State of California Summer Assistance Benefits Program for Classified Employees

SITUATION:

The State of California as part of this Education Omnibus Trailer Bill, AB 1808, reauthorized for one-year funding for the Classified Employees Summer Assistance Benefits Program. This bill appropriates a one-time amount of $36,000,000 to the State School Fund for allocation by the State Department of Education (SDE) into the Classified School Employee Summer Assistance Program (CSESAP). This bill could provide classified employees who work less than 11 months per year and who earn less than $62,400 per year, with additional funds during the summer recess period in 2021.

Under this bill, LEAs may elect to participate in the program for the 2020-2021 school year, and eligible classified employees may elect to participate in the program. The program will provide the employee up to one dollar ($1) for each one dollar ($1) that the employee elects to have withheld from his/her monthly paycheck. The employee may elect to withhold up to 10% of his/her monthly pay during the school year.

On October 3, 2019, the Buckeye Union School District and the California School Employees Association (“CSEA”) met and negotiated pursuant to the Educational Employment Relations Act and have reached a tentative agreement for the 2019-2020 school year to participate in the CSESAP for the 2020-2021 school year.

PLAN:
The plan is to have the Board review and approve the Tentative Agreement for participation in the Classified School Employee Summer Assistance program.

FISCAL IMPACT:
The fiscal impact of adopting the Tentative Agreement is estimated to be in the range of $0 to $7,000.00.

LONG RANGE GOAL:
District Goal #2: Maintain Fiscal Integrity & Accountability of the District

SUPERINTENDENT’S RECOMMENDATION:
The Superintendent recommends that the Board approve the Tentative Agreement for the 2019-2020 school year between BUSD and CSEA to participate in the CSESAP for the 2020-2021 school year.
Tentative Agreement

between

Buckeye Union School District

and

California School Employees Association and its Buckeye Union Chapter No. 683

The above parties have meet and negotiated the decision, impacts, and effects relating to recently passed legislation, Ed. Code sec. 45500. The parties have reached the following agreements with regard to Summer Assistance Benefits for Classified Employees.

Summer Assistance Benefits for Classified Employees

1. The Employer agreed to participate in the “Summer Assistance Benefits for Classified Employees,” and extended this salary benefit option to the bargaining unit.

2. Prior to January 1, 2020, the Employer shall provide notice to all bargaining unit members which shall include the following:
   a. A description of the Summer Assistance Benefits for Classified Employees program;
   b. Details about eligibility for the program, including 1) they must work for fewer than 11 months per fiscal year, 2) they have worked for the LEA for one year or at the time the employee elects to participate in the program (i.e., one year prior to March 1, 2020), and 3) that they are not eligible if the employee’s regular annual pay from the LEA is more than $62,400. (“Regular annual pay” does not include any pay that the employee received during the summer recess period in the previous fiscal year.)
   c. All timelines for the program as follows:
      ✓ By January 1, 2020, the LEA must notify the classified employees that the LEA has elected to participate in the program for the next school year.

      ✓ By March 1, 2020, any classified employee who wishes to participate, must notify the LEA, using a form developed by the SDE, that the employee wishes to participate in the program for the 2020-2021 school year. The employee may elect to have up to 10% of his/her monthly pay withheld during the school year. The employee must specify (1) the amount to be withheld from the monthly paychecks, and (2) whether s/he wishes to have the withheld amounts paid out during the summer recess period in one or two payments.

      ✓ By April 1, 2020, the LEA must notify the SDE that it has elected to participate in the program, using a form developed by the SDE. The LEA must specify (1) the number of classified employees who are participating, and (2) the total estimated amount to be withheld from the employee paychecks for the 2020-2021 school year.
By May 1, 2020, the SDE must notify participating LEAs in writing of the estimated amount of state match funding that a participating employee can expect to receive. If the $36,000,000 funding is insufficient to provide one dollar for each one dollar that has been withheld from the employees’ paychecks, the SDE must notify the LEAs of the expected prorated amount of state match funds that each classified employee could expect to receive.

By June 1, 2020, the LEAs must notify the participating employees as to the estimated amount of state match funds that the employee could expect to receive.

After receiving the notification, and no later than 30 days after the start of the school year, the classified employee may (1) withdraw his/her election to participate in the program, or (2) reduce the amount to be withheld from his/her paycheck.

The LEA must then deposit the amounts withheld from participating employees’ monthly paychecks according to each employee’s choices, in an account within its general fund known as the Classified School Employee Summer Assistance Program Fund, during the 2020-2021 school year.

If an employee separates from employment during the 2020-2021 school year, the employee may request any pay withheld from his/her paycheck pursuant to this program; however, the employee is not entitled to receive any state match funds.

On or before July 31, 2021, the participating LEAs must request payment from the SDE, on a form developed by the SDE, for the amount of classified employee pay that has been deposited in the Program Fund.

d. Provide all forms developed and promulgated by the SDE to bargaining unit members. The Employer shall distribute SDE complete forms within 5-days of receipt or learning of the forms publication, unless the forms are received/published within 5-days of an employee cut-off date, in which instance the forms shall be sent electronically on the same day it is received/published and mailed via next day service.

c. Warn bargaining unit members that the money will likely not be paid until after August 31, 2021, after summer recess.

3. No participant in the Summer Assistance Benefits for Classified Employees is barred from applying for, and if selected, working summer school during the summer in which this benefit is earned.

4. Employees may end their own participation in the program as follows:
   a. A classified employee that separates from employment with a local educational agency during the applicable school year may request from the local educational agency any pay withheld from their paycheck pursuant to this section.
b. A classified employee, due to economic or personal hardship, may request from the local educational agency any pay withheld from their paycheck pursuant to this section.

c. A classified employee who requests any pay withheld by the local educational agency pursuant to paragraph 4(a) or (b) shall not be entitled to receive any state match funds provided pursuant to this section.

Tentatively agreed on October 3, 2019

The Board may also hold a closed session to hear complaints or charges brought against an employee by another person or employee, unless the employee who is the subject of the complaint requests an open session. Before the Board holds a closed session on specific complaints or charges brought against an employee, the employee shall receive written notice of the right to have the complaints or charges heard in open session if desired. This notice shall be delivered personally or by mail at least 24 hours before the time of the session. (Government Code 54957)

(cf. 1312.1 - Complaints Concerning District Employees)
(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

The Board may hold a closed session to discuss an employee's application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan. (Government Code 54957.10)

Agenda items related to district employee appointments and employment shall describe the position to be filled. Agenda items related to performance evaluations shall specify the title of the employee being reviewed. Agenda items related to employee discipline, dismissal, or
release require no additional information.  (Government Code 54954.5)

After the closed session, the Board shall report any action taken to appoint, employ, dismiss, accept the resignation of, or otherwise affect the employment status of a district employee and shall identify the title of the affected position. The report shall be given at the public meeting during which the closed session is held, except that the report of a dismissal or nonrenewal of an employment contract shall be deferred until the first public meeting after administrative remedies, if any, have been exhausted.  (Government Code 54957.1)

(cf. 4117.7/4317.7 - Employment Status Reports)

Negotiations/Collective Bargaining

Unless otherwise agreed upon by the parties involved, the following shall not be subject to the open meeting requirements of Brown Act:  (Government Code 3549.1)

1. Any meeting and negotiating discussion between the district and a recognized or certified employee organization

2. Any meeting of a mediator with either party or both parties to the meeting and negotiating process

3. Any hearing, meeting, or investigation conducted by a factfinder or arbitrator

4. Any executive (closed) session of the district or between the district and its designated representative for the purpose of discussing its position regarding any matter within the scope of representation and instructing its designated representatives

(cf. 4140/4240/4340 - Bargaining Units)
(cf. 4143/4243 - Negotiations/Consultation)
(cf. 4143.1/4243.1 - Public Notice - Personnel Negotiations)

The Board may meet in closed session, prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees, to review the Board's position and/or instruct its designated representative(s) regarding salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees, and, for represented employees, any other matter within the statutorily provided scope of representation. Prior to the closed session, the Board shall identify its designated representative in open session. Any closed session held for this purpose may include discussions of the district's available funds and funding priorities, but only insofar as they relate to providing instructions to the Board's designated representative. Final action on the proposed compensation of one or more unrepresented employees shall not be taken in closed session.  (Government Code 54957.6)

(cf. 2121 - Superintendent's Contract)
The Board also may meet in closed session with a state conciliator who has intervened in proceedings regarding any of the purposes enumerated in Government Code 54957.6.

Agenda items related to negotiations shall specify the name(s) of the district's designated representative(s) attending the closed session. If circumstances necessitate the absence of a specified designated representative, an agent or designee may participate in place of the absent representative as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the organization representing the employee(s) or the position title of the unrepresented employee who is the subject of the negotiations. (Government Code 54954.5)

Approval of an agreement regarding labor negotiations with represented employees pursuant to Government Code 54957.6 shall be reported after the agreement is final and has been accepted or ratified by the other party. This report shall identify the item approved and the other party or parties to the negotiation. (Government Code 54957.1)

Matters Related to Students

If a public hearing would lead to the disclosure of confidential student information, the Board shall meet in closed session to consider a suspension, disciplinary action, any other action against a student except expulsion, or a challenge to a student record. If a written request for open session is received from the parent/guardian or adult student, the meeting shall be public, except that any discussion at that meeting which may be in conflict with the right to privacy of any student other than the student requesting the public meeting shall be in closed session. (Education Code 35146, 48912, 49070)

(cf. 5117 - Interdistrict Attendance)
(cf. 5119 - Students Expelled from Other Districts)
(cf. 5125.3 - Challenging Student Records)
(cf. 5144 - Discipline)

The Board shall meet in closed session to consider the expulsion of a student, unless the student submits a written request at least five days before the date of the hearing that the hearing be held in open session. Regardless of whether the expulsion hearing is conducted in open or closed session, the Board may meet in closed session for the purpose of deliberating and determining whether the student should be expelled. (Education Code 48918)

(cf. 5144.1 - Suspension and Expulsion/Due Process)
(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

Agenda items related to student matters shall briefly describe the reason for the closed session, such as "student expulsion hearing" or "grade change appeal," without violating the confidentiality rights of individual students. The student shall not be named on the agenda, but a number may be assigned to the student in order to facilitate record keeping. The agenda shall
also state that the Education Code requires closed sessions in these cases in order to prevent the disclosure of confidential student record information.

Final action on a student matter deliberated in closed session shall be taken in open session and shall be a matter of public record.  (Education Code 35146, 48918)

(cf. 5125 - Student Records)

However, in taking final action, the Board shall not release any information in violation of student privacy rights provided in 20 USC 1232g or other applicable laws. In an expulsion or other disciplinary action, the cause for the disciplinary action shall be disclosed in open session, but the Board shall refer to the student number or other identifier and shall not disclose the student's name.

Security Matters

The Board may meet in closed session with the Governor, Attorney General, district attorney, district legal counsel, sheriff or chief of police, or their respective deputies, or a security consultant or a security operations manager, on matters posing a threat to the security of public buildings; to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service; or to the public's right of access to public services or public facilities. Such discussions may be held in closed session during an emergency meeting called pursuant to Government Code 54956.5 if agreed to by a two-thirds vote of the Board members present, or, if less than two-thirds of the members are present, by a unanimous vote of the members present.  (Government Code 54956.5, 54957)

(cf. 0450 - Comprehensive Safety Plan)
(cf. 3515 - Campus Security)
(cf. 3516 - Emergencies and Disaster Preparedness Plan)
(cf. 9323.2 - Actions by the Board)

Agenda items related to these security matters shall specify the name of the law enforcement agency and the title of the officer, or name of applicable agency representative and title, with whom the Board will consult.  (Government Code 54954.5)

The Board may meet in closed session to consult with law enforcement officials on the development of a plan for tactical responses to criminal incidents and to approve the plan. Following the closed session, the Board shall report any action taken to approve the plan, but need not disclose the district's plan for tactical responses.  (Education Code 32281)

Real Property Negotiations

The Board may meet in closed session with its real property negotiator prior to the purchase, sale, exchange, or lease of real property by or for the district in order to grant its negotiator authority regarding the price and terms of payment for the property.  (Government Code 54956.8)
Before holding the closed session, the Board shall hold an open and public session to identify its negotiator(s), the property under negotiation, and the person(s) with whom the negotiator may negotiate. For purposes of real property transactions, negotiators may include members of the Board.  (Government Code 54956.8)

Agenda items related to real property negotiations shall specify the district negotiator attending the closed session. If circumstances necessitate the absence of a specified negotiator, an agent or designee may participate in place of the absent negotiator as long as the name of the agent or designee is announced at an open session held prior to the closed session. The agenda shall also specify the name of the negotiating parties and the street address of the real property under negotiation. If there is no street address, the agenda item shall specify the parcel number or another unique reference of the property. The agenda item shall also specify whether instruction to the negotiator will concern price, terms of payment, or both.  (Government Code 54954.5)

When the Board approves a final agreement concluding real estate negotiations pursuant to Government Code 54956.8, it shall report that approval and the substance of the agreement in open session at the public meeting during which the closed session is held. If final approval rests with the other party to the negotiations, the Superintendent or designee shall disclose the fact of that approval and the substance of the agreement upon inquiry by any person, as soon as the other party or its agent has informed the district of its approval.  (Government Code 54957.1)

Pending Litigation

Based on the advice of its legal counsel, the Board may hold a closed session to confer with or receive advice from its legal counsel regarding pending litigation when discussion of the matter in open session would prejudice the district's position in the litigation. For this purpose, "litigation" means any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator. (Government Code 54956.9)

Litigation is considered "pending" in any of the following circumstances:  (Government Code 54956.9)

1. Litigation to which the district is a "party" has been initiated formally.  (Government Code 54956.9(d)(1))

2. A point has been reached where, in the Board's opinion based on the advice of its legal counsel regarding the "existing facts and circumstances," there is a "significant exposure to litigation" against the district, or the Board is meeting solely to determine whether, based on existing facts or circumstances, a closed session is authorized.  (Government Code 54956.9(d)(2), (3))

Existing facts and circumstances for these purposes are limited to the following:  (Government Code 54956.9)
a. Facts and circumstances that might result in litigation against the district but which the district believes are not yet known to potential plaintiff(s) and which do not need to be disclosed.

b. Facts and circumstances including, but not limited to, an accident, disaster, incident, or transactional occurrence which might result in litigation against the district, which are already known to potential plaintiff(s) and which must be publicly disclosed before the closed session or specified on the agenda.

c. The receipt of a claim pursuant to the Government Claims Act or a written threat of litigation from a potential plaintiff. The claim or written communication must be available for public inspection.

(cf. 3320 - Claims and Actions Against the District)

d. A threat of litigation made by a person in an open meeting on a specific matter within the responsibility of the Board.

e. A threat of litigation made by a person outside of an open meeting on a specific matter within the responsibility of the Board, provided that the district official or employee receiving knowledge of the threat made a record of the statement before the meeting and the record is available for public inspection. Such record does not need to identify an alleged victim of tortious sexual conduct or anyone making a threat of litigation on the victim's behalf or identify an employee who is the alleged perpetrator of any unlawful or tortious conduct, unless the identity of this person has been publicly disclosed.

3. Based on existing facts and circumstances, the Board has decided to initiate or is deciding whether to initiate litigation. (Government Code 54956.9(d)(4))

Before holding a closed session pursuant to the pending litigation exception, the Board shall state on the agenda or publicly announce the subdivision of Government Code 54956.9 under which the closed session is being held. If authority is based on Government Code 54956.9 (d)(1), the Board shall either state the title or specifically identify the litigation to be discussed or state that doing so would jeopardize the district's ability to effectuate service of process upon unserved parties or to conclude existing settlement negotiations to its advantage. (Government Code 54956.9)

Agenda items related to pending litigation shall be described as a conference with legal counsel regarding either "existing litigation" or "anticipated litigation." (Government Code 54954.5)

"Existing litigation" items shall identify the name of the case specified by either the claimant's name, names of parties, or case or claim number, unless the Board states that to identify the case would jeopardize service of process or existing settlement negotiations. (Government Code 54954.5)

"Anticipated litigation" items shall state that there is significant exposure to litigation pursuant to
Government Code 54956.9(d)(2) or (3) and shall specify the potential number of cases. When
the district expects to initiate a suit, items related to anticipated litigation shall state that the
discussion relates to the initiation of litigation pursuant to Government Code 54956.9(d)(4) and
shall specify the potential number of cases. The agenda or an oral statement before the closed
session may be required to provide additional information regarding existing facts and
circumstances described in item #2 b-e above. (Government Code 54954.5)

Following the closed session, the Board shall publicly report, as applicable: (Government Code
54957.1)

1. Approval to legal counsel to defend, appeal or not appeal, or otherwise appear in
litigation. This report shall identify the adverse parties, if known, and the substance of the
litigation.

2. Approval to legal counsel to initiate or intervene in a lawsuit. This report shall state that
directions to initiate or intervene in the action have been given and that the action, defendants,
and other details will be disclosed to inquiring parties after the lawsuit is commenced unless
doing so would jeopardize the district's ability to serve process on unserved parties or its ability
to conclude existing settlement negotiations to its advantage.

3. Acceptance of a signed offer from the other party or parties which finalizes the settlement
of pending litigation. This report shall state the substance of the agreement.

If approval is given to legal counsel to settle pending litigation but final approval rests with the
other party or with the court, the district shall report the fact of approval and the substance of the
agreement thereon to persons who inquire once the settlement is final. (Government Code
54957.1)

Joint Powers Agency Issues

The Board may meet in closed session to discuss a claim for the payment of tort liability losses,
public liability losses, or workers' compensation liability incurred by a joint powers agency (JPA)
formed for the purpose of insurance pooling or self-insurance authority of which the district is a
member. (Government Code 54956.95)

Closed session agenda items related to liability claims shall specify the claimant's name and the
name of the agency against which the claim is made. (Government Code 54954.5)

(cf. 3530 - Risk Management/Insurance)

Following the closed session, the Board shall publicly report the disposition of joint powers
agency or self-insurance claims, including the name of the claimant(s), the name of the agency
claimed against, the substance of the claim, and the monetary settlement agreed upon by the
claimant. (Government Code 54957.1)

When the board of the JPA has so authorized and upon advice of district legal counsel, the Board
may also meet in closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the JPA that has direct financial or liability implications for the district. During the Board's closed session, a Board member serving on the JPA board may disclose confidential information acquired during a closed session of the JPA to fellow Board members.  (Government Code 54956.96)

Closed session agenda items related to conferences involving a JPA shall specify the name of the JPA, the closed session description used by the JPA, and the name of the Board member representing the district on the JPA board.  Additional information listing the names of agencies or titles of representatives attending the closed session as consultants or other representatives shall also be included.  (Government Code 54954.5)

Review of Audit Report from California State Auditor's Office

Upon receipt of a confidential final draft audit report from the California State Auditor's Office, the Board may meet in closed session to discuss its response to that report. After public release of the report from the California State Auditor's Office, any Board meeting to discuss the report must be conducted in open session, unless exempted from that requirement by some other provision of law.  (Government Code 54956.75)

Closed session agenda items related to an audit by the California State Auditor's Office shall state "Audit by California State Auditor's Office."  (Government Code 54954.5)

Following the closed session, the Board shall publicly confirm that the report was reviewed and a response was prepared.

Review of Assessment Instruments

The Board may meet in closed session to review the contents of any student assessment instrument approved or adopted for the statewide testing system. Before any such meeting, the Board shall agree by resolution to accept any terms or conditions established by the State Board of Education for this review.  (Education Code 60617)

(cf. 6162.51 - State Academic Achievement Tests)

Agenda items related to the review of student assessment instruments shall state that the Board is reviewing the contents of an assessment instrument approved or adopted for the statewide testing program and that Education Code 60617 authorizes a closed session for this purpose in order to maintain the confidentiality of the assessment under review.

Following the closed session, the Board shall confirm that the assessment instruments were reviewed. Any actions related to the review shall be taken in open session without revealing any proprietary or confidential information and shall be a matter of public record.

when otherwise actually received in the district office or by the Board secretary or clerk. (Government Code 915, 915.2)

Upon receipt of a claim against the district pursuant to the Government Claims Act, the Superintendent or designee shall promptly provide written notice to the district's joint powers authority or insurance carrier in accordance with the applicable conditions of coverage.

7. The signature of the claimant or the person acting on the claimant's behalf

Notice of Claim Insufficiency

If a claim is found insufficient or not to satisfy the form requirements under Government Code 910 and 910.2, the Board or its designee shall, within 20 days of receipt of the claim, personally deliver or mail to the claimant, at the address stated in the claim or application, a notice that states the particular defects or omission in the claim. (Government Code 910.8, 915.4)

The Board shall not act upon the claim until at least 15 days after such notice is given. (Government Code 910.8)

Amendment to Claims

Within the time limits provided in the section "Time Limitations" above or prior to final action by the Board, whichever is later, a claim may be amended if, as amended, it relates to the same
transaction or occurrence which gave rise to the original claim. (Government Code 910.6)

Late Claims

For claims under items #2 and #3 in the section "Time Limitations" above, any person who presents a claim later than six months after the accrual of the cause of action shall present, along with the claim, an application to present a late claim. Such claim and the application to present a late claim shall be presented not later than one year after the accrual of the cause of action. (Government Code 905, 911.4)

If the claim is presented late and is not accompanied by an application to present a late claim, the Board or its designee may, within 45 days, give written notice that the claim was not presented timely and that it is being returned without further action. (Government Code 911.3)

The Board shall grant or deny the application to present a late claim within 45 days after it is presented. This 45-day period may be extended by written agreement of the claimant and the Board provided that such agreement is made before the expiration of the 45-day period. (Government Code 911.6)

The Board shall grant the application to present a late claim where one or more of the following conditions are applicable: (Government Code 911.6)

1. The failure to present the claim was through mistake, inadvertence, surprise, or excusable neglect and the district was not prejudiced in its defense regarding the claim by the claimant's failure to present the claim within the time limit.

2. The person who sustained the alleged injury, damage, or loss was a minor during all of the time specified for presentation of the claim.

3. The person who sustained the alleged injury, damage, or loss was physically or mentally incapacitated during all of the time specified for presentation of the claim and the disability was the reason the person failed to present the claim.

4. The person who sustained the alleged injury, damage, or loss died before the expiration of the time specified for the presentation of the claim.

If the application to present a late claim is denied, the claimant shall be given notice in substantially the same form as set forth in Government Code 911.8. (Government Code 911.8)

If the Board does not take action on the application to present a late claim within 45 days, the application shall be deemed to have been denied on the 45th day unless the time period has been extended, in which case it shall be denied on the last day of the period specified in the extension agreement. (Government Code 911.6)

Action on Claims
Within 45 days after the presentation or amendment of a claim, the Board shall take action on the claim. This time limit may be extended by written agreement between the district and the claimant before the expiration of the 45-day period. If the 45-day period has expired, the time limit may be extended if legal action has not commenced or been barred by legal limitations. (Government Code 912.4)

The Board may act on the claim in one of the following ways: (Government Code 912.4, 912.6)

1. If the Board finds that the claim is not a proper charge against the district, the claim shall be rejected.

2. If the Board finds that the claim is a proper charge against the district and is for an amount justly due, the claim shall be allowed.

3. If the Board finds that the claim is a proper charge against the district but is for an amount greater than is justly due, the Board shall either reject the claim or allow it in the amount justly due and reject it as to the balance.

4. If legal liability of the district or the amount justly due is disputed, the Board may reject or compromise the claim.

5. If the Board takes no action on the claim, the claim shall be deemed rejected.

If the Board allows the claim in whole or in part or compromises the claim and the claimant accepts the amount allowed or offered to settle the claim, the Board may require the claimant to accept it in settlement of the entire claim. (Government Code 912.6)

The Board or its designee shall transmit to the claimant written notice of action taken or of inaction which is deemed rejection. The notice shall be in the form set forth in Government Code 913 and shall either be personally delivered or mailed to the address stated in the claim or application. (Government Code 913, 915.4)

Such claim and the application to present a late claim shall be presented not later than one year after the accrual of the cause of action. (Government Code 905, 911.4)

If the claim is presented late and is not accompanied by an application to present a late claim, the Board or its designee may, within 45 days, give written notice that the claim was not presented timely and that it is being returned without further action. (Government Code 911.3)

The Board shall grant or deny the application to present a late claim within 45 days after it is presented. This 45-day period may be extended by written agreement of the claimant and the Board provided that such agreement is made before the expiration of the 45-day period. (Government Code 911.6)

The Board shall grant the application to present a late claim where one or more of the following conditions are applicable: (Government Code 911.6)

1. The failure to present the claim was through mistake, inadvertence, surprise, or excusable neglect and the district was not prejudiced in its defense regarding the claim by the claimant's failure to present the claim within the time limit.

2. The person who sustained the alleged injury, damage, or loss was a minor during all of the time specified for presentation of the claim.

3. The person who sustained the alleged injury, damage, or loss was physically or mentally incapacitated during all of the time specified for presentation of the claim and the disability was the reason the person failed to present the claim.

4. The person who sustained the alleged injury, damage, or loss died before the expiration of the time specified for the presentation of the claim.

If the application to present a late claim is denied, the claimant shall be given notice in substantially the same form as set forth in Government Code 911.8. (Government Code 911.8)

If the Board does not take action on the application to present a late claim within 45 days, the application shall be deemed to have been denied on the 45th day unless the time period has been extended, in which case it shall be denied on the last day of the period specified in the extension agreement. (Government Code 911.6)

Action on Claims
Within 45 days after the presentation or amendment of a claim, the Board shall take action on the claim. This time limit may be extended by written agreement between the district and the claimant before the expiration of the 45-day period. If the 45-day period has expired, the time limit may be extended if legal action has not commenced or been barred by legal limitations. (Government Code 912.4)

The Board may act on the claim in one of the following ways: (Government Code 912.4, 912.6)

1. If the Board finds that the claim is not a proper charge against the district, the claim shall be rejected.

2. If the Board finds that the claim is a proper charge against the district and is for an amount justly due, the claim shall be allowed.

3. If the Board finds that the claim is a proper charge against the district but is for an amount greater than is justly due, the Board shall either reject the claim or allow it in the amount justly due and reject it as to the balance.

4. If legal liability of the district or the amount justly due is disputed, the Board may reject or compromise the claim.

5. If the Board takes no action on the claim, the claim shall be deemed rejected.

If the Board allows the claim in whole or in part or compromises the claim and the claimant accepts the amount allowed or offered to settle the claim, the Board may require the claimant to accept it in settlement of the entire claim. (Government Code 912.6)

The Board or its designee shall transmit to the claimant written notice of action taken or of inaction which is deemed rejection. The notice shall be in the form set forth in Government Code 913 and shall either be personally delivered or mailed to the address stated in the claim or application. (Government Code 913, 915.4)

If a student exhibits any other symptoms of sudden cardiac arrest, including seizures during exercise, unexplained shortness of breath, chest pains, dizziness, racing heart rate, or extreme fatigue, the student may be removed from participation by a coach or other employee who observes these symptoms. If any such symptoms are observed, notification shall be given to the student's parent/guardian so that the parent/guardian can determine the treatment, if any, the student should seek. A student who has been removed from participation shall not be permitted to return until the student is evaluated and given written clearance to return to participation by a health care provider. Education For English Learners

BP 6174
Instruction

The Governing Board intends to provide English learners with challenging curriculum and instruction that maximize the attainment of high levels of proficiency in English, advance multilingual capabilities, and facilitate student achievement in the district's regular course of study.

English learners shall be provided differentiated English language development instruction which is targeted to their English proficiency level. Such instruction shall be based on sound instructional theory, be aligned with state content standards, emphasize inquiry-based learning and critical thinking skills, and be integrated across all subject areas.

(cf. 6011 - Academic Standards)
(cf. 6141 - Curriculum Development and Evaluation)
(cf. 6161.1 - Selection and Evaluation of Instructional Materials)
(cf. 6161.11 - Supplementary Instructional Materials)
(cf. 6171 - Title I Programs)

No middle or high school student who is an English learner shall be denied enrollment in any of the following: (Education Code 60811.8)

1. Courses in the core curriculum areas of reading/language arts, mathematics, science, and history-social science, courses required to meet state and local high school graduation requirements, or courses required for middle school grade promotion

However, an English learner may be denied participation in any such course if the student has been enrolled in a school in the United States for less than 12 months or is enrolled in a program designed to develop the basic English skills of newly arrived immigrant students, and the course of study provided to the student is designed to remedy academic deficits incurred during participation and to enable the student to attain parity of participation in the standard instructional program within a reasonable length of time after the student enters the school system.

2. A full course load of courses specified in item #1 above

3. Other courses that meet the "a-g" course requirements for college admission or are advanced courses such as honors or Advanced Placement courses, on the sole basis of the student's classification as an English learner
The district shall identify in its local control and accountability plan (LCAP) goals and specific actions and services to enhance student engagement, academic achievement, and other outcomes for English learners.

The Superintendent or designee shall encourage parent/guardian and community involvement in the development and evaluation of programs for English learners. The Superintendent or designee may also provide an English development literacy training program for parents/guardians and community members so that they may better support students' English language development.

Staff Qualifications and Training

The Superintendent or designee shall ensure that all staff employed to teach English learners possess the appropriate authorization from the Commission on Teacher Credentialing.

The district shall provide effective professional development to teachers (including teachers in classroom settings that are not the settings of language instruction educational programs), administrators, and other school or community-based organization personnel to improve the instruction and assessment of English learners and enhance staff’s ability to understand and development shall be of sufficient intensity and duration to produce a positive and lasting impact on teachers' performance in the classroom. (20 USC 6825)

Staff development shall also address the sociocultural needs of English learners and provide opportunities for teachers to engage in supportive, collaborative learning communities.

Identification and Assessment

The Superintendent or designee shall maintain procedures for the early identification of English
learners and an assessment of their proficiency using the state's English Language Proficiency Assessments for California (ELPAC). To oversee test administration, the Superintendent or designee shall annually designate a district ELPAC coordinator and a site coordinator for each test site in accordance with 5 CCR 11518.40-11518.45.

Once identified as an English learner, a student shall be annually assessed for language proficiency until the student is reclassified based on criteria specified in the accompanying administrative regulation.

In addition, English learners' academic achievement in English language arts, mathematics, science, and any additional subject required by law shall be assessed using the California Assessment of Student Performance and Progress. As necessary, the test shall be administered with testing variations in accordance with 5 CCR 854.1-854.3. English learners who are in their first 12 months of attending a school in the United States shall be exempted from taking the English language arts assessment to the extent allowed by federal law. (Education Code 60603, 60640; 5 CCR 854.1-854.3)

(cf. 6162.51 - State Academic Achievement Tests)

Formative assessments may be utilized to analyze student performance and appropriately adapt teaching methodologies and instructions.

(cf. 6162.5 - Student Assessment)

Language Acquisition Programs

The district shall offer research-based language acquisition programs that are designed to ensure English acquisition as rapidly and as effectively as possible and that provide instruction to students on the state-adopted academic content standards, including the English language development standards. (Education Code 306; 5 CCR 11300)

At a minimum, the district shall offer a structured English immersion program which includes designated and integrated English language development. In the structured English immersion program, nearly all of the classroom instruction shall be provided in English, but with the curriculum and presentation designed for students who are learning English. (Education Code 305-306; 5 CCR 11309)

For the purpose of determining the amount of instruction to be conducted in English in the structured English immersion program, "nearly all" means that all classroom instruction shall be conducted in English except for clarification, explanation, and support as needed.

In addition, language acquisition programs offered by the district may include, but are not limited to, the following: (Education Code 305-306)

1. A dual-language immersion program that provides integrated language learning and academic instruction for native speakers of English and native speakers of another language,
with the goals of high academic achievement, first and second language proficiency, and cross-cultural understanding

(cf. 6142.2 - World Language Instruction)

2.
