

January 2022

Dear Parents and Guardians,

As Superintendent of the Buckeye Union School District, I would like to welcome you. I am sure you are excited to begin your educational experience with us, just as I am pleased to have you as a new member of the Buckeye family. It is the mission of the Buckeye Union School District to provide the highest quality educational program for all students so that they fulfill their innate potential, become lifelong learners, and contribute to society as responsible citizens.

The Buckeye Union School District is renowned for the quality of its schools, which have been recognized with numerous State and National awards. We offer a comprehensive educational experience that includes technology-rich, standards based educational opportunities provided by a highly qualified and dedicated team of teachers and support staff. Additionally, we receive significant support from our generous parents and community.

Our programs are enhanced by a K-8th grade articulated science program, elementary physical education specialists, staffed libraries, elementary and middle school band, school counselors, 1-to-1 computer device access, instructional coaches, and well designed interventions. Many extra-curricular activities exist including elementary and middle school sports as well as STEM clubs and school garden programs.

As a new parent to our school area, it is important for you to understand that each school's enrollment is changing due to increasing and shifting enrollment patterns within our attendance areas. Consequently, it is extremely difficult to guarantee that your child will be housed in a particular school during the coming school years. I want to assure you that we will make every effort to keep your child in your neighborhood school. It may be necessary, however, for us to transport some children to other schools within the district in order to comply with state laws and district policies on class size.

If you have any questions regarding these issues, please contact your school site principal.

Once again, welcome to Buckeye Union School District. We look forward to working with you and your children.

Sincerely,

David Roth, Ph.D.
Superintendent

Interdistrict Transfers: Any student attending Buckeye Union School District on a currently approved Interdistrict Transfer Agreement will automatically be registered for the 2022/2023 school year, *unless* 1) the student has a change in school (including elementary to middle school) or 2) the school site is notified of the student's withdrawal. New Interdistrict Transfer request forms will be accepted between **February 7, 2022, and March 31, 2022**, for consideration for the 2022/2023 school year. **New Interdistrict Transfer requests will not be reviewed until May 13, 2022.** Interdistrict forms are available on the Buckeye Union School District website by clicking on "Parent Resources" and then "District/School Transfers".

If your student is already attending a school on an Intradistrict Transfer, a move from the student's assigned school to another school within our district, and they wish to remain at that school, they do not need to renew their intradistrict agreement, and we will assume the student will be returning to the same school for the 2022/2023 school year.
