School Description

Soaring Like Raptors

Oak Meadow Elementary School is a TK-5 school nestled in the rolling, oak studded hills of El Dorado County. At Oak Meadow, cooperation, compassion, and celebration of diversity are encouraged in a safe and secure environment. In partnership with students, staff, families and communities, Oak Meadow's mission is to provide meaningful educational experiences to encourage lifelong learning. We work together to support and develop each child intellectually, physically, socially and emotionally. Our school mascot, the raptor, reflects our desire to soar to new heights in learning each day. In 2014, Oak Meadow was awarded the California Distinguished School Award for academic achievement. In 2015 Oak Meadow received the U.S. Department of Education's National Blue Ribbon Award for Academic Excellence.

School Profile

Oak Meadow Elementary School is one of six elementary schools, including a Charter Montessori located on the Blue Oak campus, and two middle schools in the Buckeye Union School District. The district was established in 1858 and currently serves the communities of Shingle Springs, Cameron Park and El Dorado Hills in El Dorado County. During the 2017-2018 school year, 697 Transitional Kindergarten through fifth grade students were enrolled at the school.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Buckeye Union School District held a public hearing on September 7, 2016, and determined that each school within the District had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Language Learners (ELL), are provided their own individual standards-aligned textbooks or instructional materials, or both, in core subjects as well as foreign language for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the District office prior to adoption. The table displays the most recent information collected about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Buckeye Union School District is proud of the facilities that are provided for students and families. Each year parent surveys indicate that they are pleased with the condition of the schools.

Oak Meadow Elementary School was originally constructed in July 2003 and is comprised of 32 classrooms, one multipurpose room, one library, one staff lounge, one computer lab, and two playgrounds. While reviewing this report, please note that even minor discrepancies are reported in the facility inspection process. The items noted in the table have been corrected or are in the process of remediation.

Cleaning Process

The principal works daily with the custodial staff of five (two full-time and three part-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure that efficient service and highest priority are given to emergency repairs.

Deferred Maintenance Budget

During the recent economic crisis the State suspended their matching grant obligation to District's participating in the deferred maintenance program. District's were no longer required to match local funds with the grant, and District's were no longer required to spend the grant on deferred maintenance projects. While the district is no longer matching the grant amount, the BUSD Board of Trustee's acted to keep whatever grant proceeds received dedicated to the deferred maintenance projects in the district. While the budget has been reduced by 50% the district is still operating the program to maintain its facilities.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Socioeconomically Disadvantaged	12	11	91.7	81.8
Students with Disabilities	19	19	100.0	73.7

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Oak Meadow Elementary realizes the positive correlation between parent involvement and student success. For this reason, the school continually searches for avenues to involve parents and the community to participate in the education of our students. The school greatly benefits from its supportive parents who are a part of the Parent Teacher Organization (PTO), volunteer for various programs such as Meet the Masters, and donate to the Adopt-a-Classroom.

The school also benefits from several community partnerships, including PC Pals with Intel, Big Brothers/Big Sisters with Blue Shield, cross-age buddies, a tutoring program with Oak Ridge High School and Hands 4 Hope, a non-profit program where students help other students in the community.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The school provides a safe, clean environment for students, staff, and volunteers. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire, earthquake, and disaster drills are held regularly throughout the school. The School Site Safety Plan was last reviewed and updated in November 2017 by the School Safety Committee. Safety drills are practiced on a regular basis. Maintaining a kind and caring community is a primary goal for our school.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Students are supervised before-and-after school by the extended day care program and the Parking Lot Supervisors. Yard duties help with supervision during lunch and break periods. There are designated areas for student drop off and pick up. Visitors must sign-in and obtain a badge in the main office.

Professional Development provided for Teachers

As part of the growth process, opportunities for training and staff development are provided at both the District and individual school sites to administrators, teachers, and classified staff. The District offers three staff development days annually, where staff members are offered growth opportunities in curriculum, teaching strategies, and methodologies.

The 2017-2018 staff development focus continues to include: Common Core State Standards in science, mathematics and English language arts, differentiated instruction to meet the needs of a variety of learners in the classroom, use of technology in the classroom, and review of data related to state and District level assessments.

Staff is offered support through the Peer Assistance Review (PAR) program and new educators can find mentors through the Beginning Teacher Support Association (B TSA).

Types of Services Funded

In addition to general state funding, Buckeye Union School District receives state and federal funding for the following categorical funds and other support programs:

- Special Education
- Title I
- Title II
- Title III
- Home to School Transportation
- Lottery

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
