School Description

Principal's Message

Silva Valley Elementary School is a true community school. Our dedicated staff, well-rounded students, and supportive parents personify our mission which is "to provide a safe, nurturing and challenging educational environment in which students are eager learners, realize their full potential, exhibit positive self-esteem, and are successful, productive citizens now and in the future." It is our belief that students, staff, and the community are proud to be a part of the Silva Valley School team where diversity is celebrated and students learn together in a well supported, cohesive environment. At Silva Valley, it is also our belief that our commitment to develop the whole child through positive administrative leadership, Core Values, PBIS (Positive Behavioral and Supports System), family support, and community involvement, could not be met without a strong personal relationship with the community that has grown up around us. We are proud to be a 2014 California Distinguished School.

School Profile

Silva Valley Elementary is one of six elementary schools, including a TK - 6 Charter Montessori school, and two middle schools in the Buckeye Union School District. The district was established in 1858 and currently serves the communities of Shingle Springs, Cameron Park and El Dorado Hills in El Dorado County.

During the 2017-18 school year, 515 Transitional Kindergarten through fifth grade students were enrolled at the school, with classes arranged on a traditional schedule.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Buckeye Union School District held a public hearing on September 7, 2016, and determined that each school within the District had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Language Learners (ELL), are provided their own individual standards-aligned textbooks or instructional materials, or both, in core subjects as well as foreign language for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the District office prior to adoption. The table displays the most recent information collected about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Buckeye Union School District is proud of the facilities that are provided for students and families. Each year parent surveys indicate that they are pleased with the condition of the schools.

Silva Valley Elementary was originally constructed in 1992 and is comprised of 26 classrooms, two portables, one administrative classroom, one gym, one multipurpose room, one library, one staff lounge, one computer lab, and two playgrounds. In past years, Measure K paid for the expansion of the library and computer system, installation of a new intercom system, addition of 12 library computers, and campus re-keying. In 2016, Silva Valley had new HVAC systems installed along with new roving on several buildings. While reviewing this report, please note that even minor discrepancies are reported in the facility inspection process. The items noted in the table have been corrected or are in the process of remediation.

Cleaning Process

The principal works daily with the custodial staff of four (two full-time day crew, one full-time and one part-time night crew) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure that efficient service and highest priority are given to emergency repairs.

Deferred Maintenance Budget

During the recent economic crisis the State suspended their matching grant obligation to District's participating in the deferred maintenance program. District's were no longer required to match local funds with the grant, and District's were no longer required to spend the grant on deferred maintenance projects. While the district is no longer matching the grant amount, the BUSD Board of Trustee's acted to keep whatever grant proceeds received dedicated to the deferred maintenance projects in the district. While the budget has been reduced by 50% the district is still operating the program to maintain its facilities.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)

Hispanic or Latino	13	13	100.0	84.6
White	78	76	97.4	82.9
Students with Disabilities	12	11	91.7	36.4

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Science	88	85	84	85	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards

Students with Disabilities	26	25	96.15	4

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Silva Valley Elementary understands the positive correlation between parent involvement and student success. For this reason, the school continually searches for avenues to involve parents and the community to participate in the education of our students. The school greatly benefits from its supportive parents who are active in the Parent Teacher Association (PTA), and make up the 40+ volunteers in the School Garden and the "Meet the Masters" art program. We are appreciative of the support our parents give to the school by volunteering in student classrooms, daily. Our Dads on Duty program supports students on the playground during their recess and lunch periods. Silva Valley also partners with the Sierra Foothills Assistance League to bring literacy support to students. Volunteers read with students focusing on reading comprehension throughout the school year in our "Books and Beyond" program.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Silva Valley Elementary at (916) 933-3767. For more information on the Buckeye School District, contact the Superintendent, Dr. David Roth, or the Assistant Superintendent, Jackie McHaney, at (530) 677-2261 or (916) 985-2183.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The school provides a safe, clean environment for students, staff, and volunteers. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire, earthquake, and disaster drills are held regularly throughout the school. The School Site Safety Plan was last reviewed in November of 2017 by the School Site Council. The plan addresses school-wide emergency procedures (earthquake drills, fire drills, lockdown drills), School-Wide Positive Discipline Program (Core Values), visitor policy, traffic policy, and ongoing communication with law enforcement to support student/staff safety.

Professional Development provided for Teachers

As part of the growth process, opportunities for training and staff development are provided at both the District and individual school sites to administrators, teachers, and classified staff. The District offers three staff development days annually, where staff members are offered growth opportunities in curriculum, teaching strategies, and methodologies.

The 2017-2018 staff development focus included: NGSS (Next Generation Science Standards), CA State Standards in mathematics and English language arts, differentiated instruction to meet the needs of a variety of learners in the classroom, use of technology in the classroom, PBIS (Positive Behavioral and Instructional Supports) training and review of data related to state and District level assessments.

Staff is offered support through the Peer Assistance Review (PAR) program and new educators can find mentors through the Beginning Teacher Support Association (BTSA).

Types of Services Funded

In addition to general state funding, Buckeye Union School District receives state and federal funding for the following categorical funds and other support programs:

- Special Education
- Title I
- Title II
- Title III
- Home to School Transportation
- Lottery

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
