January 2020

Dear Parents:

As Superintendent of the Buckeye Union School District, I would like to welcome you. I am sure you are excited to begin your educational experience with us, just as I am pleased to have you as a new member of the Buckeye family. It is the mission of the Buckeye Union School District to provide the highest quality educational program for all students so that they fulfill their innate potential, become lifelong learners, and contribute to society as responsible citizens.

The Buckeye Union School District is renowned for the quality of its schools, which have been recognized with numerous State and National awards. We offer a comprehensive educational experience that includes technology-rich, standards based educational opportunities provided by a highly qualified and dedicated team of teachers and support staff. Additionally, we receive significant support from our generous parents and community.

Our programs are enhanced by a K-8th grade articulated science program, elementary physical education specialists, staffed libraries, elementary and middle school band, school counselors, 1-to-1 computer device access, instructional coaches, and well designed interventions. Many extra-curricular activities exist including elementary and middle school sports as well as STEM clubs and school garden programs.

As a new parent to our school area, it is important for you to understand that each school's enrollment is changing due to increasing and shifting enrollment patterns within our attendance areas. Consequently, it is extremely difficult to guarantee that your child will be housed in a particular school during the coming school years. I want to assure you that we will make every effort to keep your child in your neighborhood school. It may be necessary, however, for us to transport some children to other schools within the district in order to comply with state laws and district policies on class size.

If you have any questions regarding these issues, please contact your school site principal.

Once again, welcome to the Buckeye Union School District. We look forward to working with you and your children.

Sincerely,

David Roth, Ph.D.
Superintendent

School websites can be accessed at buckeyeusd.org.

Registration forms will be available in school offices beginning January 15, 2020 for the registration period beginning on January 21, 2020. Registrations will be taken at school sites based upon designated boundaries. If you are uncertain as to your school of attendance, please visit the district website to input your address and access this information. Go to www.buckeyeusd.org →Parent Resources→Boundaries to use this tool.

A child who resides in Buckeye Union School District and will be five years of age on or before September 1, 2020, may register for Kindergarten. Children who will turn five years old between September 2, 2020 and December 2, 2020, are eligible for and may register for Transitional Kindergarten.

Your child's birth certificate, up-to-date immunization record and proof of residence will be required when you register your child. Proof of residency requires that a parent/guardian provide two pieces of documentation. The specific information about these documents is available on the district website at www.buckeyeusd.org by clicking on "For Parents" and then "Enrollment." [**Proof of residency is *not* required for picking up a registration packet for enrollment in Valley View Charter Montessori School or Camerado Middle School, but *is required* for registration if the student is registering under one of the following enrollment preferences: (1) a student who resides within the Valley View school boundaries; or (2) a student who resides within the attendance boundaries of the District.]

It is important to understand that if your child's registration packet is not complete and all documents required to be submitted have not been submitted to school officials, your child will not be enrolled at the time of submission of the enrollment packet, but rather will be placed on a wait list pending completion of the required enrollment information. School staff will contact you if your enrollment packet is deemed to be incomplete and request the information needed in order to enroll your child upon its submission. If you need any further information regarding registration, please visit or call the school.

Interdistrict Transfers: Any child attending Buckeye Union School District on a currently approved Interdistrict Transfer Agreement, will be registered for the 2020-2021 school year, unless the school site is notified of the student's withdrawal. New Interdistrict Transfer requests will not be reviewed until May 13, 2020.

Intradistrict Transfers: Intradistrict Transfer forms will be accepted between January 1, 2020 and February 28, 2020, for consideration for the 2020-2021 school year. Remember, if your student is already attending a school on an Intradistrict Transfer, a move from the student's assigned school to another school within our district, and they wish to remain at that school, they do not need to renew their intradistrict agreement, and we will assume he/she will be returning to the same school for the 2020-2021 school year. Intradistrict forms will be available on the Buckeye Union School District website January 1, 2020. The web address is www.buckeyeusd.org (click on "Parent Resources" and then "District/School Transfers").

January 2020

Dear Parent or Guardian:

To make sure your child is ready for school, California law, *Education Code Section 49452.8*, requires that your child have an oral health assessment (dental check-up) by May 31, 2020, at the end of Transitional Kindergarten, Kindergarten or first grade, whichever is his/her first year in public school. Assessments that have happened within the 12 months before your child enters school also meet this requirement. The law specifies that the assessment must be done by a licensed dentist or other licensed or registered dental health professional.

Take the attached Oral Health Assessment/Waiver Request form to the dental office, as it will be needed for your child's check-up. If you cannot take your child for this required assessment, please indicate the reason for this in Section 3 of the form. You can get more copies of the necessary form at your child's school or online from the California Department of Education's website at <http://www.cde.ca.gov/ls/he/hn/> California law requires schools to maintain the privacy of students' health information. Your child's identity will not be associated with any report produced as a result of this requirement.

The following resources will help you find a dentist and complete this requirement for your child:

1. Medi-Cal/Denti-Cal's toll-free number or website can help you to find a dentist who takes Denti-Cal: 1-800-322-6384; <http://www.denti-cal.ca.gov>. For help enrolling your child in Medi-Cal/Denti-Cal, contact Medi-Cal/Healthy Families' toll-free number 1-800-880-5305.
2. Healthy Families' toll-free number or website can help you to find a dentist who takes Healthy Families insurance or to find out if your child can enroll in the program: 1-800-880-5305 or <http://www.healthyfamilies.ca.gov/hfhome.asp>.
3. For additional resources that may be helpful, contact your local Public Health Department of El Dorado County 530-621-6100 or Sacramento County 916-874-2256.

Remember, your child is not healthy and ready for school if he or she has poor dental health. Here is important advice to help your child stay healthy:

- Take your child to the dentist twice a year.
- Choose healthy foods for the entire family. Fresh foods are usually the healthiest foods.
- Brush teeth at least twice a day with toothpaste that contains fluoride.
- Limit candy and sweet drinks, such as punch or soda. Sweet drinks and candy contain a lot of sugar, which causes cavities and replaces important nutrients in your child's diet. Sweet drinks and candy also contribute to weight problems, which may lead to other diseases, such as diabetes. The less candy and sweet drinks, the better!

Baby teeth are very important. They are not just teeth that will fall out. Children need their teeth to eat properly, talk, smile and feel good about themselves. Children with cavities may have difficulty eating, stop smiling, and have problems paying attention and learning at school. Tooth decay is an infection that does not heal and can be painful if left without treatment. If cavities are not treated, children can become sick enough to require emergency room treatment, and their adult teeth may be permanently damaged.

Many things influence a child's progress and success in school, including dental health. Children must be healthy to learn, and children with cavities are not healthy. Cavities are preventable and they affect more children than any other chronic disease.

If you have questions about the new oral health assessment requirement, please contact Nicole Schraeder, Director of Student Services, at 916-985-2183.

Sincerely,

A handwritten signature in black ink that reads "David Roth". The signature is written in a cursive, flowing style.
