Welcome to the upcoming school year! We have moved from Heartland payments to Titan payments and you will need to re-register your children in the family portal to utilize this system. Any food service student balances will be transferred automatically to our new system.

For the 2021-2022 school year the United States Department of Agriculture (USDA) has allowed school districts to continue to feed all children 2nd chance breakfast and lunch meals at no cost. Since meals are free for all our students, families will not need to fill out the typical meal application to receive those meals. All student’s benefit by having access to nutritious breakfast and lunch meals.

We are asking families to please fill out the Education Benefit Form, at the following link:

If your student would like to order a hot lunch they will raise their hand when their teacher asks who would like one at the beginning of the school day. For PM - TK students, please call the office by 8:30am each day to order a hot lunch for your student. If you would like your TKer to get a hot lunch everyday, please let us know and we will add them to a list so that you do not have to call each day.
