PRINCIPAL’S MESSAGE

As the hustle and bustle gets underway, we oftentimes think about gifts for our children. I find myself thinking about something my father said to me years ago as I boarded the plane to move to Sao Paulo, Brazil. With tears in his eyes, he said, “Your mother and I worked so hard to make all you girls independent, and the problem is...we succeeded.”

The gift of independence is a scary gift to give our children, but it is so crucial to their success. Middle school is a time when we as parents struggle with letting go...just how much do we loosen the reins without letting them fall?, get hurt?, lose a friend?, fail a class?, and the list goes on. But middle school is exactly the time for them to take those risks safely and to allow them to feel the natural consequences of their actions and behaviors in order to make necessary changes before high school and adulthood. Feel free to call or contact us with any questions/concerns you may have as we struggle through this quest together. We are happy to help, and crazy though it sounds, we actually choose to work with this age group for the challenges they bring to the table!

In relation to that growing independence, parents feel both wonderfully excited and terribly frightened by their child’s sense of curiosity. It is always best for parents to stay educated and to learn as much as possible. Hopefully, you are able to attend our parent education night, “Cyber Safety Cop”, on parenting in this digital age on Thursday, December 16 at 6:30 pm. This is truly something on which we must work together to keep our kids safe, especially with all the time they now have on their phones/computers. Another reminder that our internet block only works while students are on campus. If they’re in their homes, they can use the internet without restriction (unless you have put restrictions on your home WIFI). We hope to see you on the 16th.

The other difficult topic that we encourage you to discuss with your kids is the use of their words, especially as they target different groups. Many times students will use inappropriate words or statements and, when questioned by an adult, immediately resort to the “I’m just joking” line. Hateful words are hateful words no matter how we slice them. Whether it’s insulting someone’s race, religion, gender, size, academic or athletic ability, etc., it’s an insult if it could cause someone to feel put down or less worthy than others. We all know middle school is difficult enough without the added concerns about what someone will say to insult you. No kid should feel it’s safer to stay home from school for fear of facing his/her peers and what they might say. Please help us make Rolling Hills a school where everyone belongs and feels safe, encouraged, and respected. We’re much too great for hate.

Finally, we are seeing our absence list grow. Of course we know kids need to stay home if they have symptoms of a cold/flu. If a student has to be absent for more than five days, then teachers will provide LiveStream/1:1 Zoom options to them. Those options are only available to those who are required to stay home for Covid related reasons for a minimum of five days.

I am proud of the school climate that we all work together to create, and I look forward to a 2022 that makes our community even better, stronger, safer, and more fun for all who are a part of it... and, of course, a healthy one for all!

Have a safe and happy winter break!

Debbie Bowers, Principal                  Bill Bartholome, Assistant Principal
NOTICES AND EVENTS

**ATTENDANCE:** During these days of Covid, we are asking families to be vigilant about attendance. If your child has any cold or flu symptoms, please be sure to keep them home and call the office or attendance line.

**FRIENDS OF ROLLING HILLS MEETING** for December will be held via Zoom on Thursday, 12/9/21 at 12:00 pm. All parents are welcome to attend! Zoom link will be emailed separately.

**DINE-OUT EVENT:** Take out or have Mountain Mike’s Pizza delivered on Monday, 12/13/20 and they will donate 20% back to Rolling Hills when you order via telephone at (916) 934-0262. See included flyer for more details.

**STUDENT STORE/CANDYGRAMS:** We will be selling candygrams at the Student Store for $1 which will include a holiday treat and note. Students should know the first and last name of the person who will be receiving the candygram as well as their Focus period if possible. Sales will take place Monday 12/6 to Friday, 12/10. Candy grams will be delivered the following week during Focus by Student Council. Students can also purchase candygrams during Focus in Room F2.

**STUDENT COUNCIL:** Monday, December 6th is Walt Disney's birthday! Help us celebrate by dressing in your favorite Disney gear or as your favorite character. All day on campus, students can search for hidden Mickey and Minnie icons to be redeemed for a candy or snack prize.

Friday, December 17th is the last day before break! Let's all wear our favorite (or ugliest) sweaters to celebrate the holiday season!

**WINTER BREAK:** There is no school for students Monday, 12/20/20 through Monday, 1/3/21. Students return to school on Tuesday, 1/4/21. Happy Holidays!

**YEARBOOK NEWS**

We are using a new company this year to publish our yearbooks and we are very happy with the reduction in price (but not quality). Books are on sale for only $25.00! These make great gifts! If you’d like a gift certificate, please contact Mrs. Conforti to make a personalized one for your child.

We are asking for photos of students and their pets. Please only send photos of RHMS students (not siblings and friends) along with their pet(s).

Outside (of school) Activity pictures are needed. It is our RHMS yearbook tradition to include photos of students doing the things they love to do outside of school: hiking, dancing, running, golfing, playing instruments, riding horses, bikes, skateboards, hanging with friends, family trips, helping out in the community...we want your photos!

Be sure to label all faces in each photo. It’s always a challenge, but with masks on and masks off, nobody is looking quite the same and we want to make sure to identify everyone correctly.

It’s easy to share your photos! Just log onto https://buytheyearbook.pictavo.com/PictavoSchool/FindSchool# and use our school #700946.

**Breaking news - RHMS Yearbook Cover Contest.** We are asking students to submit their artwork to be considered for the cover of this year’s yearbook. Our theme is “What’s Next” and the cover should incorporate this idea in some fashion. All submissions can be brought to Mrs. Conforti in G3. They will be photographed and returned to the artists. The winner will receive name recognition for his/her contribution as well as a free yearbook. All art must be submitted by Jan. 7, 2022. No late entries accepted.
