PRINCIPAL’S MESSAGE

I love September, and not just because it’s my birthday month! ;-) We are back into the full swing of the school year and settling into our routines just soon enough for them to change because of Covid, or smoke, or power outages. What a world! Hopefully your child (and you!) has been able to navigate through middle school and balance school with outside activities. If you’re still having difficulties, please do remember to communicate with your child’s teachers or with our counselors or administrators. We’re here to help you navigate what we know is a difficult time in our parenting continuum, and even greater during these uncertain times.

I want to thank those families for supporting our student body fundraising drive. When things were “normal,” our student council fundraiser would bring in about $30,000. We know times are challenging, but we’re hopeful that your support will come in to help us provide the level of program our students have come to expect. In case you missed the information, Boon Supply is a great eco-friendly company with lots of great options. The money raised through this fundraiser is for students and funds guest speakers, merit rewards, sports uniforms, after school clubs, and field trip scholarships, to name a few. We thank you in advance for your support.

In addition to all the fun we get to have on our campus, we also have time to learn, and it shows in our test results. I am especially proud of the success that our students and teachers are continuing to experience, despite the problems they’ve encountered the past two years. I am thankful to this community for the continued support at allowing us to put kids first.

At this point in time, we’ve reviewed our policies with students regarding discipline and safety. Dress code continues to be a bit challenging--please be sure to review the policies with your kids and let us know if you have any questions.

Finally, the month of September closes with our Parent Student Conferences starting Monday, September 27 and ending Friday, October 1. Students have class as usual from 7:50-noon, then conferences begin at 12:45. You will be contacted if the teachers would like a conference with you for your child and a Zoom link will be emailed to you. If you are not contacted and would like to schedule a conference, please contact one of your child’s teachers. Please remember dismissal is at noon every day that week.

Here’s to a great September and an even better school year!
Debbie

El Dorado Hills Youth Lacrosse
Looking for a new, exciting sport for your kids to play that’s just as fun to watch?

Look no further than EDH Youth Lacrosse (LAX)!

Lacrosse (LAX) is the fastest growing sport on the United States. Our club, EDHYLAX, is entering our 17th season and has grown year over year. We are the largest Lacrosse club in our region.

The way kids fall in love with lacrosse isn’t the way kids fall in love with basketball, or football, or even soccer. There isn’t a generational love of the sport that they picked up from their parents. They haven’t grown up watching games with their friends. Oftentimes, their journey begins out of mere curiosity. And yet, lacrosse is the fastest growing sport in the country.

Fast paced, energetic, and cardiovascular, this is a contact sport* where players use the head of a lacrosse stick to carry, pass, catch and shoot the ball into the goal. Protective gear is worn by both girls* and boys.

- Open to Girls and Boys ages 6-14 years old.
- Lacrosse season runs from January thru May.
- Registration is open during the month of October.
- Players of ALL experience levels are welcome!

For more info, or to join our mailing list, go to our website at www.edhylax.org

*Girls Lacrosse does not allow body contact. They do allow stick to stick contact. Girls wear eye goggles only. Boys and goalies wear full protective gear i.e.: helmet, shoulder pads, elbow pads, gloves, etc.

El Dorado Hills Youth Lacrosse is a 501 (c) (3), non-profit youth sports organization located at 3941 Park Drive, Suite #20, 145, El Dorado Hills, CA. This program is not affiliated with Rescue or Buckeye Union School Districts.
