Applications must be completed by students, not parents. We want students to be involved in the process and be responsible learners at all times. Students who apply should receive an email verifying their application. Self-management is an important ATL skill we want to encourage. Grades are given a point value. An A is 3 points, a B is 1 point, and a C is 0 points. A D or an F in any subject disqualifies a student from membership. Only Mathematics, Science, Language & Literature, Individuals & Societies/Language Live, and Spanish/Art/Design/Learning Center are used to determine eligibility. You must have 10 Points to qualify. Please check before applying that you meet the above requirements. The window to apply is two weeks long, no late exceptions, per the CJSF bylaws. What’s Cooking?
We make our Peaches and Cream overnight oats from scratch at the central kitchen. Made with rolled oats, vanilla yogurt, milk and canned peaches, this is a healthy and delicious breakfast option. We top it with our homemade granola and a small dollop of whipped cream. Try it at home – you’ll love it!

This month we are featuring mandarin oranges from JJ Citrus in Orland. They are a small family farm featuring Satsuma mandarins and other citrus fruits.
